NOW, THEREFORE, in consideration of the promises herein exchanged and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby covenant and agree as follows:

1. Tolling of Time-Related Defenses. Any applicable statutes of limitations, statutes of repose, the doctrine of laches, and all other time-based defenses with respect to any claims by the Parties to this Agreement arising from or relating in any manner to the roof leaks and water infiltration issues throughout Green Ridge Elementary School existing between the Parties for any acts or omissions relating, directly or indirectly in any manner whatsoever to these issues are hereby tolled effective April 1, 2019 (the “Effective Date”). The passage of time during the “Tolling Period” as hereinafter defined shall not be counted for purposes of any applicable statutes of limitations, statutes of repose, laches, or any other time-based defenses in any legal proceeding or arbitration in which the Parties assert claims covered by this Agreement.

2. Non-Assertion of Defenses. The Parties agree that they will not assert any defense based on any statute of limitations, statutes of repose, laches or other time-related defense based, in whole or in part, on the passage of time during the Tolling Period as hereinafter defined in any legal proceedings or arbitration with respect to any of the claims covered by this Agreement.

3. Tolling Period. For purposes of this Agreement, the term “Tolling Period” shall mean the period from April 1, 2019 until April 30, 2020, unless this Agreement is terminated

earlier by a thirty (30) day Notice of Termination, as defined hereinafter. Any Notice of Termination by a party shall be effective thirty (30) days after it is received and it shall terminate the Tolling Period only for claims against the party giving the Notice of Termination and the parties named in and receiving the Notice of Termination. The Tolling Period shall otherwise continue in full force between all other parties. Notice of Termination must be given to all parties.

4. Notice of Termination. As used herein, the term “Notice of Termination” means a written notice of termination on behalf of a party identifying the party giving the notice and the parties for whom Notice of Termination is to be effective, delivered by Certified Mail, Return Receipt Requested. For purposes of notification under this Agreement, the addresses of the parties are as follows: the Board shall be notified through its attorney, Rod Malone, Tharrington Smith, LLP, P.O. Box 1151, Raleigh, NC, 27602; and SFL+a Architects shall be notified through its attorney, Neil Yarborough, The Yarborough Law Firm, 115 East Russell Street, Fayetteville, NC 28301, and John Nunnally, Ragsdale Liggett, PLLC, Post Office Box 31507, Raleigh, NC 27622. 5. Non-Waiver of Existing Defense. Nothing herein shall preclude any Party from asserting any defense which is based on any applicable statute of limitations, laches or other time-based defense arising out of the lapse of time prior to the Effective Date of this Tolling Agreement combined with any lapse of time after the end of the Tolling Period as herein defined. In addition, nothing contained in this Agreement shall waive or preclude any party from asserting any defense, except as specifically set forth herein, including, without limitation, defenses contained in previous

agreements entered into by the parties.

6. Disputed Claims. It is understood and agreed that the Parties entered into this Agreement for purposes of evaluation and attempted resolution of disputed claims. Neither the execution of this Agreement by the Parties nor anything in this Agreement shall constitute an admission of fault or liability of any nature whatsoever by any Party. This Agreement or any part thereof shall not be admissible in any legal proceeding, mediation, or arbitration for any purpose other than the interpretations or enforcement of the Agreement and its effect.

7. Authority of Signatories. The persons executing this Agreement hereby represent and warrant that they have full authority and representative capacity to execute the Agreement in the capacities indicated below and this Agreement constitutes the binding obligation of the Parties on whose behalf they signed.

8. Applicable Law. This agreement and the interpretation thereof shall be governed by North Carolina law.

9. Entire Agreement. The original tolling agreement, the second tolling agreement, the third tolling agreement, the fourth tolling agreement, the fifth tolling agreement, the sixth tolling agreement, and the seventh tolling agreement entered into on or about August 1, 2013, August 2014, March 2016, March 2017, May 2017, September 2017, and March 2018 respectively, remain effective and are not nullified or otherwise rescinded by this Agreement. Except for the original, second, third, fourth, fifth, sixth and seventh tolling agreements, which are hereby reaffirmed, this Agreement contains the entire agreement between the Parties concerning matters set forth, and it supersedes negotiations, discussions and understandings regarding such matters. This Agreement may be amended or modified only by a writing executed with the same
