Improving Culture to Increase Achievement

West Middle School 2018-2019

School Improvement Plan Goal

Build community both within and outside the school by designing structures and processes that result in an increase in community engagement, support, and ownership as measured by an increased student involvement in school events, a decrease in student discipline referrals, a low overall attrition rate, and Teacher Working Conditions Survey data.

Opportunities for Improvement

- Improve school culture for students, teachers, and the community.
- Improve communication between the school and the home.
- Develop an engaged parent/teacher organization.

Steps Taken

- **Behavior Incentives**
- **Academic Incentives/Competitions**
- **Implementation of Test Jam**
- Positive Grade Level Assemblies
- Increased Parent Contacts
- Creation of Student Advisory Committee
- Weekly Parent Call Out
- Creation of social media committee
- Increased parent involvement on SIT
- Elimination of silent hallways
- Wolverine Updates for staff
- Special Interest Groups/After School Clubs
