WHY LOOK ELSEWHERE, WHEN WE HAVE IT RIGHT HERE?

Homegrown Instructors

- 8 MCS staff have supported this program, earning an extra $2000 to $4000 per semester for additional teaching duties.
- We have our first graduate from the program, that has signed the contract with MCS/MCC and is in her first semester of teaching the additional class.
- Remember, this program will reimburse $1000 per semester. Half of the reimbursement from MCC and half from MCS for up to 5 semesters. The recipients agree to work with us for three years and teach for MCC.
- Hollie Ritter

Homegrown Teachers

- Currently, we have 2 teachers employed with the district as Teacher Assistants in the final stages of the program.
- Remember, these folks need to work for MCS or have attended MCC/MCS and attend UNCP.
- We sign early contracts agreeing to teach with MCS for up to 3 years and offer up to $500 per semester of tuition reimbursement for up to 5 semesters. (Cost of tuition at UNCP $500 per semester)
- We have several students preparing to graduate this year with an interest in the program and attending UNCP.
- Mandy Georgepul and Kelly Lamonds

Newest Homegrown Program
