RE: First Read
Montgomery County School Board Policy

The following 2 policies represent the School Board Association's revision recommendations and a required change to policy.

Policy #	Name	Explanation
3420	Student Promotion and Accountability	**Strongly Recommended Changes to the policy** ● Adds a sentence to reference 3-year high school graduation as an option under acceleration heading **Recommended Changes to the policy** ● Addresses procedures for students receiving high school credit while studying abroad ● Update legal references
3460	Graduation Requirements	**Required Changes to the policy** ● changes local graduation "requirements" to local graduation "recommendations" ● Updates endorsement language ● Legal references **Strongly Recommended Changes to the policy** ● Add language to support students with selection of high school courses ● Adds information regarding graduating high school in three years ● Language change to support compliance of G.S. 115C-407.05(Children of Military Families) **Recommended Changes to the policy** ● Reorganizes information ● References credits taken abroad

A. PURPOSE

The board believes that students should progress to the next level of study only after they are proficient in their knowledge and application of the current curriculum level. To the extent reasonably possible, students should be given as much time or as little time as they need to be proficient at a particular level of study. Students will be promoted to the next level of study as described in this policy.

B. STUDENT PROMOTION STANDARDS

The superintendent shall develop (1) proposed promotion standards and (2) a process to be used in determining a student's readiness to progress to the next level of study and shall submit the standards and process to the board for approval. The standards will be based, in part, upon proficiency in reading. The standards and process must provide multiple criteria for assessing a student's readiness to progress to the next level of study, such as standardized test scores, formative and diagnostic assessments, grades, a portfolio or anthology of the student's work, and, when appropriate, accepted standards for assessing developmental growth. The standards and process will incorporate all state law and State Board of Education policy requirements, including those for the assessment and promotion of third grade students as described in G.S. 115C-83.6 *et seq.* and State Board of Education Policies KNEC-002 and -003.

Principals shall ensure that the promotion standards are used by teachers and school administrators in assessing each student's readiness to progress to the next level of study. Principals have the authority to promote or retain students based upon the standards approved by the board and any applicable standards set by the State Board of Education.

To reduce the number of students who do not meet promotion standards, the board directs school administrators and teachers to address the needs of students who are not making adequate academic progress as required by policy 3405, Students at Risk of Academic Failure.

C. DIPLOMA STANDARDS

To receive a North Carolina high school diploma, a student must complete the requirements set forth in policy 3460, Graduation Requirements.

D. APPEALS OF PROMOTION DECISIONS

1. Appeal to the Superintendent

   Within five workdays of receiving the principal's written decision to promote or retain a student, the student's parents may appeal the decision to the superintendent.

The superintendent may overturn the principal's decision only upon a finding that the principal's decision was arbitrary and capricious (i.e., without a rational basis) or was otherwise an abuse of discretion.

The superintendent must render a decision within 10 workdays of receiving the appeal. The superintendent may support the principal's decision, remand it back to the principal for consideration of additional issues, or reverse the decision.

The superintendent's findings must be in writing and must be provided to the parents.

2. Appeal to the Board of Education

The superintendent's decision to promote or retain a student may be appealed to the board in accordance with the procedures set forth in subsection E.5 of policy 1740/4010, Student and Parent Grievance Procedure.

E. LITERACY INTERVENTIONS

1. Reading Camps

The board will provide reading camp opportunities as required by law at no fee for students who are entitled to this intervention under state law. The superintendent or designee shall encourage parents of eligible students to enroll their students in a reading camp. To the extent resources permit, the board will offer fee-based reading camp opportunities for students in eligible grades who are not entitled to attend at no cost. Annually, the board will establish criteria for priority enrollment in its fee-based reading camps and will set the attendance fee at an amount not to exceed the statutory limit. The superintendent or designee shall notify interested parents of the application procedure for the fee-based reading camps.

2. Individual Reading Plans

Beginning in the 2022-2023 school year, an Individual Reading Plan (IRP) will be developed in accordance with state law for any student in kindergarten through third grade demonstrating difficulty with reading development based on the results of either (1) the first diagnostic or formative assessment of the school year or (2) the first diagnostic or formative assessment of the second semester of the school year. The student's teacher shall notify the parent or guardian that the student has demonstrated difficulty with reading development and that an IRP has been developed for the student. The notice provided must include all other information required under G.S. 115C-83.6B(b) and should be in the parents' native language when appropriate foreign language resources are readily available.

3. Digital Children's Reading Initiative

The school system will provide access through the school system website to available resources from the Department of Public Instruction's Digital Children's Reading Initiative as required by law. Printable activities from those resources will be provided in hard copy to students who do not have digital access at home.

4. Approval of Literacy Intervention Plan

By the established deadline each year, the superintendent or designee shall submit to the Department of Public Instruction for approval a plan for the literacy interventions the school system will offer in the following school year, as required by G.S. 115C-83.6A.

F. PROMOTION STANDARDS FOR STUDENTS WITH DISABILITIES

To the extent possible, students with disabilities must be held to the same promotion standards as all other students. However, for students who take alternative assessments in lieu of the end-of-grade (EOG) or end-of-course (EOC) tests, promotion decisions must be based on criteria recommended by the IEP team.

All intervention strategies and other opportunities, benefits, and resources that are made available to students without disabilities must be made available to those students with disabilities who are subject to the student promotion standards. Such opportunities must be in addition to the special education services provided to the student.

G. CREDIT BY DEMONSTRATED MASTERY

The superintendent shall provide opportunities for students in grades 9 through 12 to earn course credit by demonstrating mastery of course material without first completing the regular period of classroom instruction in the course. Students in grades 6 through 8 may earn credit by demonstrated mastery for high school courses offered in middle school. To earn credit by demonstrated mastery, students must demonstrate a deep understanding of the content standards and application of knowledge through a multi-phase assessment, in accordance with standards established by the State Board of Education and any additional standards established by the superintendent.

H. CREDIT RECOVERY

Students who fail a high school course may retake parts of the course through credit recovery to earn credit for the course. Credit recovery delivers a subset of the blueprint of the original course in order to specifically address deficiencies in a student's mastery of the course and target specific components of a course necessary for completion. A pre-assessment of the student's understanding of the course material will be administered at the beginning of the course and the credit recovery will be tailored to meet the needs of the individual student. The length of a credit recovery course is dictated by the skills and knowledge the student needs to recover and not a fixed length of seat time.

Any EOC exam associated with the credit recovery course will be administered no later than 30 days upon completion of the credit recovery course. The credit recovery will be graded as pass or fail and will not impact the student's grade point average. The original grade for the course will remain on the student's transcript.

The superintendent shall develop procedures addressing the implementation of credit recovery opportunities across the school system.

I. REPEATING A COURSE FOR CREDIT

1. Repeating a Previously Failed Course

   As provided in State Board of Education policy CCRE-001, high school students who fail a course for credit may repeat that course. To take advantage of this option, the student must repeat the entire course. Beginning with the 2015-16 school year, when a student initially fails a high school course and successfully repeats the course for credit, the new course grade will replace the original failing grade for the course on the student's transcript and in calculations of the student's GPA, class rank, and honor roll eligibility. The superintendent may develop procedures for students to indicate their intent to repeat a course for credit under this paragraph and may establish any other rules as necessary and consistent with State Board policy.

2. Repeating a Course for which Credit was Earned (Grade Replacement)

   The board recognizes that high school students may need to repeat a course for which they have earned credit in order to increase their understanding of the course content, to improve skill mastery, or to meet postsecondary goals. Students may repeat a course for which they have previously earned credit, subject to the following preconditions and any other reasonable rules established by the superintendent:

   a. the student must have earned a letter grade of C or lower in the course on the first attempt;

   b. the student must make a written request to repeat the course;

   c. the principal or designee must approve the request;

   d. there must be space available after seats have been assigned to students who are taking the course for the first time or repeating a previously failed course;

   e. the course to be repeated must be a duplicate of the original class and must be taken during the regular school day at a high school in this school system or through the North Carolina Virtual Public School;

f. upon completion of the repeated course, the new course grade will replace the student's original grade on the student's transcript and in calculations of the student's GPA, class rank, and honor roll eligibility, regardless of whether the later grade is higher or lower than the student's original mark;

g. credit towards graduation for the same course will be given only once;

h. a course may be repeated only one time; and

i. students may repeat a maximum of four previously passed courses during their high school careers.

The superintendent shall require notice to students and parents of these preconditions and of any other relevant information deemed advisable by the superintendent.

J. CREDIT FROM STUDYING ABROAD

The board encourages students to participate in foreign exchange student programs to enhance their high school academic experience and heighten their awareness and knowledge of global cultures. With careful planning, students may receive credit for courses taken abroad that have substantial equivalency to school system high school courses in content and in hours.

Students who wish to receive high school credit for courses taken during the school year in a foreign country should file a request for study abroad credit with the principal or designee by July 1 of the year preceding the proposed study. To receive credit, the student must submit a copy of the syllabus of the course with the hours of study and grading system described. The student should promptly notify the principal or designee of any course changes.

~~J.~~K. ACCELERATION

Some students may need less time to learn the curriculum. Teachers are encouraged to challenge these students by expanding the curriculum, providing opportunities to explore subjects in greater detail or providing different types of educational experiences. To challenge a student sufficiently, the principal may reassign the student to a different class or level of study and/or may identify concurrent enrollment or other curriculum expansion options (see policy 3101, Dual Enrollment).

The principal, after consulting with the professional staff and the student's parents, may determine that skipping a grade level is appropriate.

Students also have the option of using an accelerated pathway to complete high school in three years rather than four (see policy 3460, Graduation Requirements).

~~K.~~L. REPORTING REQUIREMENTS

1. Superintendent's Report to the Board

   At least on an annual basis, the superintendent shall provide the board with the following information for each school:

   a. aggregate student performance scores on state-mandated tests and any other standardized tests used by a school or the school system;

   b. the number and percentage of students retained and/or not meeting the standards for their grade level;

   c. the number and percentage of third grade students exempt from mandatory third grade retention by category of exemption as listed in state law; and

   d. remedial or additional educational opportunities provided by the school system and the success of these efforts in helping students meet promotion standards.

2. Report to the North Carolina State Board of Education and Department of Public Instruction

   Pursuant to statutory requirements and standards established by the Department of Public Instruction, all required information regarding student performance will be provided annually to the State Board of Education and the Department of Public Instruction.

3. Publication on the School System Website

   Information about the reading performance of first, second, and third grade students will be posted on the school system website in accordance with state law.

~~L.~~M. RESOURCES

Consistent with the objective of improving student performance, the board will provide schools with maximum flexibility in the allocation of state funds. School personnel are expected to budget financial resources in a manner that will meet the standards established in this policy. The board will consider requests to transfer funds from other funding allotment categories to intervention strategies as part of the school improvement plan submitted by school officials. All funds will be used in a fiscally sound manner in accordance with policy 8300, Fiscal Management Standards.

~~M.~~N. NOTIFICATION TO PARENTS

The superintendent or designee shall provide information regarding promotion standards to all students and parents. In addition, if a kindergarten, first grade, second grade, or third grade student (1) is demonstrating difficulty with reading development or (2) is not reading

at grade level, the student's teacher shall provide the student's parents timely written notice advising that if the student is not demonstrating reading proficiency by the end of third grade, the student will be retained, unless exempt from mandatory retention for good cause. Parents are encouraged to help their children meet the promotion standards and will have opportunities to discuss the promotion standards and procedures with teachers and the principal. Information provided to parents should be in the parents' native language when appropriate foreign language resources are readily available.

The teacher of a student who does not meet promotion standards must notify the student's parents that the student has failed to meet the standards for progression to the next level of study and must provide the parents with information concerning retesting, intervention, review, and appeal opportunities. When a student is to be retained, the principal shall provide the student's parents written notice of the retention and, if the student will be retained in accordance with G.S. 115C-83.7(a) for failure to demonstrate reading proficiency, (1) written notice of the reason the student is not eligible for a good cause exemption as provided in G.S. 115C-83.7(b) and (2) a description of proposed literacy interventions that will be provided to the student to remediate areas where the student has not demonstrated reading proficiency. Teachers shall provide parents of students retained under G.S. 115C-83.7(a) at least monthly written reports on student progress toward reading proficiency. The evaluation of a student's progress will be based upon the student's classroom work, observations, tests, assessments, and other relevant information.

~~N.~~O. CHILDREN OF MILITARY FAMILIES

As required by the Interstate Compact on Educational Opportunity for Military Children (G.S. 115C-407.5), G.S. 115C-407.12, and policy 4155, Assignment to Classes, school administrators have the authority to exercise flexibility in waiving course or program prerequisites or other preconditions for the placement of children of military families, as defined in policy 4050, Children of Military Families, in courses or programs offered by the school system.

Updated: January 10, 2023

The board recognizes the importance of setting rigorous graduation requirements to help ensure that students are receiving an education that will prepare them to be career and college ready and productive members of society.

In order to graduate from high school, students must meet the following requirements:

1. successful completion of all State Boad of Education course unit requirements as described in Section A; and

2. successful completion of cardiopulmonary resuscitation instruction.

~~The p~~Principals shall ensure that students and parents are aware of ~~all~~ the number and nature of credits required for high school graduation ~~requirements~~, the potential to complete high school graduation requirements in three years, and the availability of early graduate college scholarships. ~~School counseling program staff shall assist students in selecting their high school courses to ensure that students are taking all of the required units and selecting electives consistent with their post-graduation plans. For students who have transferred to the school system during high school or who, for other reasons, have completed course work outside of the school system, the principal shall determine what course work will be applied as credit toward graduation. The principal shall consider the requirements of the Interstate Compact on Educational Opportunity for Military Children (G.S. 115C-407.5), G.S. 115C-407.12, and the requirements of subsection C.3 of this policy in determining the graduation requirements for children of military families.~~

A. COURSE UNITS ~~REQUIRED~~

As described in State Board of Education Policy GRAD-004, ~~A~~all students must fulfill the course unit requirements of the Future-Ready Core Course of Study unless they are approved for the Future-Ready Occupational Course of Study. The tables below list the course unit requirements for the Future-Ready Core Course of Study and the Future-Ready Occupational Course of Study, as well as additional course units recommended by the board, based on the student's year of entry into ninth grade for the first time. School counseling program staff shall assist students in selecting high school courses to ensure that students are taking all required units and selecting electives consistent with their post-graduation plans.

In accordance with policy 3101, Dual Enrollment, and State Board of Education requirements, students may earn high school credit for college courses completed. In addition, students may earn credit for certain high school courses in the Future-Ready Core Course of Study completed prior to grade nine~~9~~, as authorized by the State Board of Education. Students also have the opportunity to meet course unit requirements without completing the regular period of classroom instruction by demonstrating mastery of the course material in accordance with policy 3420, Student Promotion and Accountability, and State Board of Education requirements. For students who have transferred to the school system during high school or who, for other reasons, have completed

course work outside of the school system, the principal shall determine what course work will be applied as credit toward graduation. See policy 3420 for information regarding receiving credit toward graduation for courses take abroad.

All awards of high school course credit must be consistent with State Board of Education requirements. Any inconsistency between board policy and State Board graduation requirements will be resolved by following the State Board requirements. While the board endeavors to keep its policy up to date with current State Board of Education graduation requirements, students should verify current requirements with their school counselors when planning course schedules or making other decisions based on graduation requirements.

1. Future-Ready Core Course of Study Credits Required for Students Entering Ninth Grade for the First Time before 2020-2021

Types of Courses ~~Required*~~	**State Requirements***	**Local ~~Requirements~~ Recommendation**
English	4 sequential (English I, II, III, and IV)	
Mathematics	4 (NC Math 1, 2, and 3 and a fourth math course aligned with the student's post-high school plans.)** (A principal may exempt a student from this math sequence. Exempt students will be required to pass NC Math 1 and 2 and two other application-based math courses or selected CTE courses, as identified on the NC DPI math options chart.)***	
Science	3 (a physical science course, Biology, and earth/environmental science)	
Social Studies	4 (including: (1) a founding principles course which shall be either American History: Founding Principles, Civics and Economics or Founding Principles of the United States of America and North Carolina: Civic Literacy;† (2) two American history courses which shall be either (a) American History I and II, (b) American History I or II and another Social Studies course, or (c) American History and another Social Studies course; and (3) World History)	
Health/P.E.	1	
Electives	6 (2 electives must be any combination of Career and Technical Education, Arts Education, or World Language; 4 must be from one of the following: Career and Technical Education, J.R.O.T.C., Arts Education, or any other subject area or cross-disciplinary course. A four-course concentration is recommended.)±	As part of the 6 elective credit requirement, Students entering high school between SY18-19 and SY19-20 must earn a Career Management Credit******

Total Credits	**22**	6 Additional earned credits from any of the above subjects

* Certain International Baccalaureate (IB), Advanced Placement (AP), and Cambridge International Examination (CIE) courses will satisfy specific graduation requirements. See SBE Policy GRAD-008.

** Students who are learning disabled in math may have other options for meeting the four mathematics credits requirement. See DPI memo of August 24, 2016 available at http://bit.ly/DPIMemo, and the math options chart linked below.

*** Students seeking to complete minimum course requirements for UNC universities must complete four mathematics courses, including a fourth math course with Math 3 as a prerequisite. The math options chart is available at https://www.dpi.nc.gov/districts-schools/classroom-resources/academic-standards/standard-course-study/mathematics/standard-course-study-supporting-resources.

† The founding principles courses, American History: Founding Principles, Civics and Economics and Founding Principles of the United States of America and North Carolina: Civic Literacy, must follow the North Carolina Standard Course of Study (NCSCOS) in its entirety and may not be satisfied by any other courses, except as provided in SBE Policy GRAD-008. See also SBE Policies CCRE-001 and GRAD-004.

± Students seeking to complete minimum course requirements for UNC universities must complete two credits of a single world language.

2. Future-Ready Core Course of Study Credits Required for Students Entering Ninth Grade for the First Time in 2020-2021

Types of Courses ~~Required~~*	**State Requirements***	**Local ~~Requirements~~ Recommendations**
English	4 sequential (English I, II, III, and IV)	
Mathematics	4 (NC Math 1, 2, and 3 and a fourth math course aligned with the student's post-high school plans.)** (A principal may exempt a student from this math sequence. Exempt students will be required to pass NC Math 1 and 2 and two other application-based math courses or selected CTE courses, as identified on the NC DPI math options chart.)***	
Science	3 (a physical science course, Biology, and earth/environmental science)	
Social Studies	4 (including: (1) a founding principles course which shall be either American History: Founding Principles, Civics and Economics or Founding Principles of the United States of America and North Carolina: Civic Literacy;† (2) an American History course which shall be either (a) American History I, (b) American History II, or (c) American History; (3) World History;± and (4) Economics and Personal Finance^)	
Health/P.E.	1	

Electives	6 (2 electives must be any combination of Career and Technical Education, Arts Education, or World Language; 4 must be from one of the following: Career and Technical Education, J.R.O.T.C., Arts Education, or any other subject area or cross-disciplinary course. A four-course concentration is recommended.)‡	As part of the 6 elective credit requirement, Students entering high school between SY18-19 and SY19-20 must earn a Career Management Credit******
Total Credits	**22**	6 Additional earned credits from any of the above Subjects

*Certain International Baccalaureate (IB), Advanced Placement (AP), and Cambridge International Examination (CIE) courses will satisfy specific graduation requirements. See SBE Policy GRAD-008.

** Students who are learning disabled in math may have other options for meeting the four mathematics credits requirement. See DPI memo of August 24, 2016 available at http://bit.ly/DPIMemo, and the math options chart linked below.

*** Students seeking to complete minimum course requirements for UNC universities must complete four mathematics courses, including a fourth math course with Math 3 as a prerequisite. The math options chart is available at https://www.dpi.nc.gov/districts-schools/classroom-resources/academic-standards/standard-course-study/mathematics/standard-course-study-supporting-resources.

† The founding principles courses, American History: Founding Principles, Civics and Economics and Founding Principles of the United States of America and North Carolina: Civic Literacy must follow the North Carolina Standard Course of Study (NCSCOS) in its entirety and may not be satisfied by any other courses, except as provided in SBE Policy GRAD-008. See also SBE Policies CCRE-001 and GRAD-004.

± It is strongly recommended that students take World History in the first year of their high school Social Studies course sequence due to the nature of the adoption of the new Social Studies Standard Course of Study effective in 2021-2022.

^ This course must, at a minimum, include the standards established by the second edition of the Voluntary National Content Standards in Economics and the 2013 National Standards for Financial Literacy, as developed by the Council for Economic Education.

‡ Students seeking to complete minimum course requirements for UNC universities must complete two credits of a single world language.

3. Future-Ready Core Course of Study Credits Required for Students Entering Ninth Grade for the First Time in 2021-2022 and Thereafter

Types of Courses ~~Required*~~	State Requirements*	Local ~~Requirements~~ Recommendations
English	4 sequential (English I, II, III, and IV)	
Mathematics	4 (NC Math 1, 2, and 3 and a fourth math course aligned with the student's post-high school plans.)** (A principal may exempt a student from this math sequence. Social Studies	4 (including: Founding Principles of the United States of America and North Carolina: Civic Literacy;† Economics and Personal Finance;± American History; and World History)	
Health/P.E.	1	
Electives	6 (2 electives must be any combination of Career and Technical Education, Arts Education, or World Language; 4 must be from one of the following: Career and Technical Education, J.R.O.T.C., Arts Education, or any other subject area or cross-disciplinary course. A four-course concentration is recommended.)‡	As part of the 6 elective credit requirement, Students entering high school between SY18-19 and SY19-20 must earn a Career Management Credit******
Total Credits	**22**	6 Additional earned credits from any of the above subjects

* Certain International Baccalaureate (IB), Advanced Placement (AP), and Cambridge International Examination (CIE) courses will satisfy specific graduation requirements. See SBE Policy GRAD-008.

** Students who are learning disabled in math may have other options for meeting the four mathematics credits requirement. See DPI memo of August 24, 2016 available at http://bit.ly/DPIMemo, and the math options chart linked below.

*** Students seeking to complete minimum course requirements for UNC universities must complete four mathematics courses, including a fourth math course with Math 3 as a prerequisite. The math options chart is available at https://www.dpi.nc.gov/districts-schools/classroom-resources/academic-standards/standard-course-study/mathematics/standard-course-study-supporting-resources.

† This course must follow the North Carolina Standard Course of Study (NCSCOS) in its entirety and may not be satisfied by any other courses, except as provided in SBE Policy GRAD-008. See also SBE Policies CCRE-001 and GRAD-004.

± This course must, at a minimum, include the standards established by the second edition of the Voluntary National Content Standards in Economics and the 2013 National Standards for Financial Literacy, as developed by the Council for Economic Education.

‡ Students seeking to complete minimum course requirements for UNC universities must complete two credits of a single world language.

4. Future-Ready Occupational Course of Study Credits Required for Students Entering Ninth Grade prior to 2020-2021 (only available to certain students with disabilities who have an IEP)

Types of Courses ~~Required*~~	**State Requirements***	**Local ~~Requirements~~ Recommendations**
English	4 (including English I, II, III, and IV)	
Mathematics	3 (including Introduction to Math, NC Math I, and Financial Management)	
Science	2 (including Applied Science and Biology)	
Social Studies	2 (including American History I and American History II* OR (1) American History: Founding Principles, Civics and Economics or Founding Principles of the United States of America and North Carolina: Civic Literacy; and (2) American History I or American History II or American History)**	
Health/P.E.	1	
Career/Technical	4 (Career/Technical Education electives)	
Occupational Preparation	6 (including: (1) Occupational Preparation I or Employment Preparation I: Science; (2) Occupational Preparation II or Employment Preparation II: Citizenship IA and Employment Preparation II: Citizenship IB; (3) Occupational Preparation III or Employment Preparation III: Citizenship IIA and Employment Preparation III: Citizenship IIB; and (4) Occupational Preparation IV or Employment Preparation IV: Math)	
Work Hours***	600	
Electives	0	
Other Requirements	• Completion of IEP objectives • Career Portfolio	
Total Credits	**22**	

* Applicable only to students entering the ninth grade for the first time prior to 2017-18.

** Applicable only to students entering the ninth grade for the first time between 2017-2018 and 2019-2020.

*** The work hours must include: (1) 150 hours of school-based training with work activities and experiences that align with the student's post-school goals; (2) 225 hours of community-based training; and (3) 225 hours of paid employment or 225 hours of unpaid vocational training, unpaid internship, paid employment at community rehabilitation facilities, and volunteer and/or community services hours, for a total of 600 required work hours.

5. Future-Ready Occupational Course of Study Credits Required for Students Entering Ninth Grade for the First Time in 2020-2021 (only available to certain students with disabilities who have an IEP)

Types of Courses ~~Required*~~	State Requirements*	Local ~~Requirements~~ Recommendations
English	4 (including English I, II, III, and IV)	
Mathematics	3 (including Introduction to Math, NC Math I, and Financial Management)	
Science	2 (including Applied Science and Biology)	
Social Studies	2 (including (1) a founding principles course which shall be either American History: Founding Principles, Civics and Economics or Founding Principles of the United States of America and North Carolina: Civic Literacy and (2) Economics and Personal Finance)	
Health/P.E.	1	
Career/Technical	4 (Career/Technical Education electives)

B. HIGH SCHOOL END-OF-COURSE AND OTHER TESTING

High school students must take all end-of-course (EOC) tests and Career and Technical Education (CTE) State Assessments required by the State Board of Education and pursuant to policy 3410, Testing and Assessment Program.

C. SPECIAL CIRCUMSTANCES

~~The board adopts the following policies with regard to graduation.~~

1. Honor Graduates

Honor graduates may be designated by principals on the basis of criteria established by the superintendent. Recognition of honor graduates may be included in graduation programs.

2. Students with Disabilities

Graduation requirements must be applied to students with disabilities to the extent required by state and federal law and State Board policy.

3. Children of Military Families

In order to facilitate the on-time graduation of children of military families, as defined in policy 4050, Children of Military Families, ~~the~~ school officials shall comply with the requirements of the Interstate Compact on Educational Opportunity for Military Children (G.S. 115C-407.5), G.S. 115C-407.12, and the following requirements ~~board adopts the following policy provisions for children of military families~~.

a. Waiver Requirements

Specific course work required for graduation will be waived for children of military families if similar course work has been satisfactorily completed in another school system. If a waiver is not granted, school administrators shall provide the student with reasonable justification for the denial. If a waiver is not granted to a student who would qualify to graduate from the sending school, the superintendent or designee shall provide the student with an alternative means of acquiring the required course work so that the student may graduate on time.

b. Testing Requirements for Graduation

The superintendent shall accept from children of military families the following in lieu of any local testing requirements for graduation: (1) the end-of-course exams required for graduation from the sending state; (2) national norm-referenced achievement tests; or (3) alternative testing. If these alternatives are not feasible for a student who has transferred in his or her senior year, subsection c below will apply.

c. Transfers During Senior Year

If a child of a military family who has transferred at the beginning of or during his or her senior year is ineligible to graduate from the school system after all of the alternatives listed above have been considered and the student meets the graduation requirements at his or her sending school, then school officials from the school system shall collaborate with the sending school system to ensure that the student will receive a diploma from the sending board of education.

4. Early Graduation

Students have the option of graduating early by completing the State Board of Education minimum graduation requirements on an accelerated three-year

pathway. Students choosing to use an accelerated pathway must follow the process required for early graduation as described in State Board Policies GRAD-001 and GRAD-006. ~~Graduation prior to that of one's class may be permitted on the basis of criteria approved by the board upon recommendation by the superintendent.~~

5. Graduation Certificates

   Graduation certificates will be awarded to eligible students in accordance with the standards set forth in State Board policy GRAD-010.

6. Diploma Endorsements

   Students have the opportunity to earn ~~one or more of the following~~ diploma endorsements as described in State Board Policy GRAD-007. ~~identifying a particular area of focused study: (1) Career Endorsement, (2) College Endorsement (two options), (3) North Carolina Academic Scholars Endorsement, and/or (4) a Global Languages Endorsement.~~ No endorsement is required to receive a diploma.
