District Accreditation

An in-depth exploration of our institution that uses our own evidence, plus stakeholder input and expert analysis, to identify noteworthy practices and next steps for improvements. The accreditation term is for six years.

ACCREDITATION

What was the outcome of the MCS Accreditation process?

Montgomery County Schools

An IEQ above 300 indicates the institution meets Cognia's expectations for accreditation.

	MCS	Cognia Network
Culture of Learning	3.8	3.1
Leadership for Learning	3.6	3.0
Engagement of Learning	3.4	2.8
Growth in Learning	3.1	2.7

MCS HIGHLIGHTS

“Montgomery County Schools cultivates a healthy learning culture by prioritizing respect, fairness, equity, and inclusion, ensuring learner well-being through stakeholder engagement, structured support systems, and effective collegiality and collaboration among staff.”

“Montgomery County Schools fosters learner engagement through high expectations, individualized instruction, authentic integration of digital resources, and a nurturing environment that promotes lifelong skills.”

“Montgomery County Schools prioritizes the individual needs and interests of learners, leveraging data-driven decision-making, fostering a culture of action research, and supporting the pursuit of both academic and non-academic goals, ensuring holistic growth and success for all stakeholders.”
