

Troy Elementary

PBIS Presentation, Board of Education
January 11, 2016

Positive Behavior Interventions and Supports

- Recognizes positive behavior demonstrated by students.
- Works to help all students develop self-discipline
- School staff teach the positive, desired behaviors so that all students will know what is expected.
- Positive behavior is rewarded in many ways
- Students understand the consequences for when they do not demonstrate desired behaviors and the school works to ensure there is consistency in the procedures school-wide.

Daily Pledge –

David Tofflemeyer and Hayleigh Haywood

Troy Trojans are

Respectful, Responsible and Ready

At all times

In all places

Today and everyday we will

Succeed

PBIS Matrix – Emmanuelle Whitehead
