Classroom - +

- Great Teachers
- Lots of student engagement
- Opportunities for student internships (teacher cadet)
- Ms. Talbert's labs benefit students & help them grasp the topics better (MCHS)
- Mrs. Simpson teaches amazingly (WMS)
- Teachers take control-don't let students walk all over them
- Really fun work
- Healthy environment
- Can receive help when needed
- Mrs. Long is the best teacher (WMS)

Classroom - Δ

- Need more interactive time
- Less hands on activities
- Students get very loud when teacher steps out of classroom
- Math teacher isn't that good at teaching math
- Short semester caused teachers to rush through chapters-hurts student that don't learn quickly
- Too many talkative people
- Too many projects
- Subs are sometimes not the best
- Not much participation

Schools - +

- Lot of different opportunities (classes, sports, clubs, degrees)
- Very good exploratory classes
- Great safety
- Easy to find your way around
- Clubs
- Classes with friends
- Getting outside time
- Bus transportation is the best
- Support from teachers at athletic events
- Various school activities
- Teacher/tutor resources

Schools - Δ

- Bad problem with roaches, bugs & yellow jackets (WMS)
- Not much talk about mental health
- Don't use lockers
- Not able to sit wherever we want at lunch
- Having everything blocked on the computer
- Having to leave phones in lockers
- Car rider line gets in the way of buses
- Bathrooms have inappropriate writing
- Almost no interaction between grade levels
- Visiting athletic teams ask for public WIFI to complete school work
- Need internet access for afterschool athletic activities

Future Topics

- Why can't WMS have PJ Day?
- Why is dress code so strict for girls?
- New CTE classes/opportunities
- Why can we not wear hats?
- Public/student WIFI for afterschool hours
- Why don't intramurals last longer?
- Why can we only go outside with TAG teachers?
- Why can teachers take phone when not In use?
- Why can't we have a study period?
- Jumbotron for the gym
