SUBJ: ACTION ITEM (NCSBA BOD Recommendation)

The NCSBA has called for nominations for possible seats on their Board of Directors for our region later this year. A nomination does not automatically mean that we will have a representative, but I think it is important to be represented if possible and for those in our community to see that we are active at the state level. Mrs. Sandra Miller has committed to serve in this capacity if it is the will of our board and she is selected and approved by the state association in Raleigh. It is a true commitment and will require much of her time and effort so I am very thankful for her willingness to step up for this nomination and possible seat at the state association.

I highly recommend that the MCS Board of Education approve the nomination of Mrs. Sandra Miller as our region's representative to the NCSBA Board of Directors.

This is an action item and will require a vote.

I am available to answer any questions you might have.
