AIG Update

Presentation to Montgomery County Board of Education

October 3, 2011

2011-2012 Goals

PRIORITY ONE:

1. Service delivery to schools. (Pull-out in short term – High quality differentiation in long-term)
2. Development, revision, and/or adoption of a new and improved DEP instrument (See new document on later slide)
3. File auditing and clean-up. All AIG students will have an updated DEP with clear, measurable goals for services and/or student achievement.

2011-2012 – cont.'

SECONDARY PRIORITIES:

1. A clearly communicated and more rigorous process for AIG identification and completion of required paperwork, including an annual review process (Currently identified at 14%, which is too high)
2. Development and deployment of an AIG Advisory Committee to make recommendations for program improvements
3. A clearly defined training plan for differentiation with our teachers

Where we are now…

- Service delivery plan for pull-outs at elementary and middle school level is nearing completion.
- In the meantime, differentiation is happening in the classroom. As stated in the goal, we will develop training to increase the quality of that differentiation.
- Revised DEP has been finalized.
- Files have been audited and clean up process is in process to make sure AIG files are in order.
- AIG Task Force has been formed and first organizational meeting has taken place.
