SUBJ: SAT Results

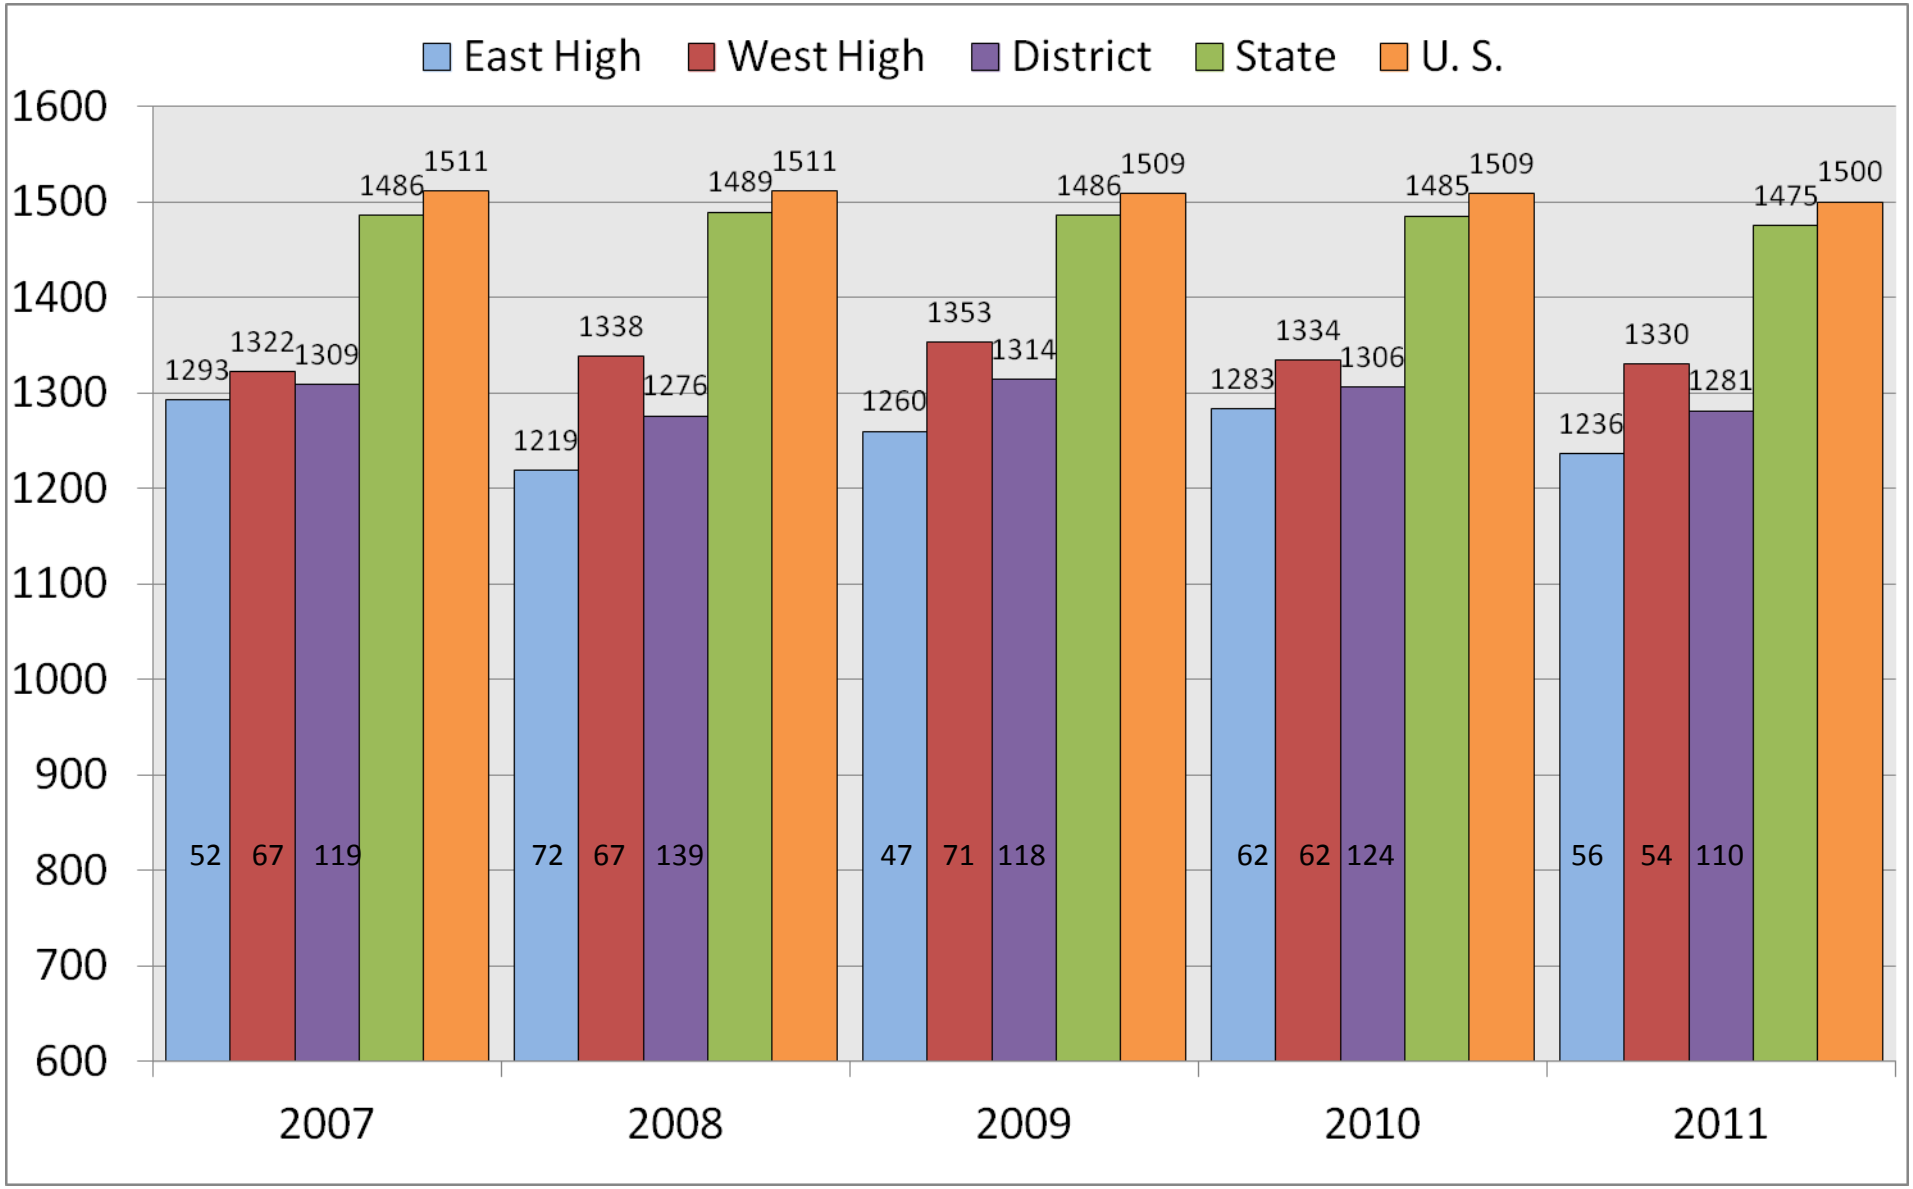

Attached you will find SAT results for the 2010-2011 school year. The SAT Reasoning Test takes about 3 hours and 45 minutes to complete and cost $49. There is a fee waiver for students who qualify. When combining all three portions of the test (Writing, Critical Reading and Math), the total score range is from 600-2400. When combining only the Critical Reading and Math portions the total score range is from 400-1600.

I will be available to answer all questions you have.

College Preparedness for 2011-2012 and Beyond

In 2011-2012 all grade 10 students will be participating in the PLAN assessment which is the practice test for ACT. The ACT is a college accepted entrance exam much like the SAT. All grade 11 students will be participating in the ACT. This means that all of our students will be administered at least one entrance exam to a 4 year college or university. This is mandated from DPI and is free of charge to our district and students. In the future the ACT will become part of the accountability model for North Carolina.
