Level 1 Actions Are Non-Violent

Level 1 actions do not necessarily pose a threat to the health, safety or property of others. Positive classroom and school-wide interventions and supports are used to address Level 1 actions. Students are not referred to an administrator for Level 1 actions unless they continue after appropriate intervention and support. In such cases, the referral to an administrator serves to help identify the most appropriate interventions available for the student.

Threats can be made verbally, in writing, or with gestures.

Level 3 Actions

Level 3 actions are of a serious nature and, when they occur, can be expected to pose a threat to the health, safety, or property of any person. An administrator is notified when a Level 3 action occurs. Students may be suspended for any Level 3 action. School administrators are required to consult with their assigned Assistant Superintendent before proceeding with a charge of Assault, Aggravated Assault, or Weapon. **Actions with asterisks trigger a mandatory notification to school police pursuant to School Code Section 1303-A(b) and 22 Pa. Code Section 10.22.**

***304. Assault on a School Employee:** An assault on a school employee is considered aggravated because the victim is in a protected class as a teacher, staff member or other school employee or contractor. When a student engages in any of the following actions against a school employee or contractor: (1) attempts to cause or intentionally, knowingly, or recklessly causes bodily injury without physical provocation; (2) negligently causes bodily injury with a deadly weapon; or (3) attempts by physical menace to put another in fear of imminent serious bodily injury.

305.A. Simple Assault on a Student or Other Person not Employed by the School: When a student intentionally and without provocation hits, punches, or kicks a student or other person not employed by the school. Other physical conduct that does not meet the definition of assault may fall under the prohibition against fighting, physical aggression/altercation, bullying, harassment, and/or inciting a disturbance or melee.

***305. B. Aggravated Assault on a Student or Other Person not Employed by the School:** When a student (1) attempts to cause serious bodily injury to another, or causes such injury intentionally, knowingly or recklessly under circumstances manifesting extreme indifference to the value of human life; or (2) attempts to cause or intentionally or knowingly causes bodily injury to another with a deadly weapon.

***306. Weapons and Dangerous Instruments:** A student shall not possess, handle, or transmit any item defined by the Pennsylvania School Code as a weapon (hereinafter "weapon") while on any school property, while at any school-sponsored or approved activity or while walking or being transported in any manner to or from a school or school-sponsored or approved activity.

a. Weapons as Defined by Statute. The term "weapon," by School Code, includes but is not limited to any knife, cutting instrument, cutting tool, explosive, nunchaku, firearm, shotgun, rifle, and/or any other tool, instrument or implement capable of inflicting serious bodily injury. When determining whether an object is a weapon, schools must consider what the object is practically and functionally intended to do. The manner in which a student uses an object does not convert an otherwise non-weapon into a weapon.

b. Self-Defense Items. A self-defense item is a tool, instrument, or implement which is made or commonly used for self-protection. Examples include but are not limited to pepper spray, self-defense keychains, self-defense rings, tactical pens or flashlights, and kubatons. PPS will only charge a student with a weapons violation if the student has used or threatened to use the self-defense item against another individual.

c. Lookalike Items. Any imitation of a knife, cutting instrument or tool, nunchaku, firearm, shotgun or rifle. While students may have access to lookalike items that are often sold as toys or costume accessories, such items are prohibited in the school setting or at school sponsored events. Students who bring in lookalike items shall have them confiscated and will receive no discipline consequence unless the item was used to perpetrate some other conduct prohibited by this Code of Student Conduct.

***307.A. Possession, Use, or Under the Influence of Alcohol or Drugs:** A student shall not possess, use, distribute, or be under the influence of any intoxicant of any kind. Any amount of an illegal drug is considered a violation of Board policy and this Code of Student Conduct. The possession of drug-related paraphernalia also constitutes a violation of this rule. Use of a drug as authorized by a medical prescription from a registered physician for the student for whom it is prescribed shall not be considered a violation of this rule but may be a violation of the Use of Medications policy. Failure to comply with the Use of Medications policy may also result in school discipline.

***308. Arson:** The deliberate starting of a fire or explosion, or helping, asking, or telling another person, to start a fire or explosion, which could or does place property in danger of being damaged or a person (including a fire fighter) in danger of injury.

318. Aggravated Hazing: Occurs when a person commits an act of hazing as defined Rule 218 that results in serious bodily injury or death to a student and:

1. The student acts with reckless indifference to the health and safety of the victim student; or
2. The student causes, coerces or forces the consumption of an alcoholic liquid or drug by the victim student.
