# Just a reminder

### Student checkout and office campus passes

When signing out a student during the school day, a parent/guardian or designated emergency contact must be present with ID. This requires the parent/guardian or designated emergency contact to physically walk into the attendance office, show ID, and sign out the student. **No over-the-phone sign outs will be allowed.** The only exception to this procedure is if prior notice is given to the attendance clerk. In order to meet the expectations for giving prior notice, the following procedure must be followed:

- ◆ Before 8:00, student submits a note or parent calls 608-4135 to communicate need for signing out to the attendance clerk.
- ◆ Attendance clerk will issue the student a pass to use later in the school day to leave class.
- ◆ Student will show the classroom teacher the pass in order to be released from class at allowed time.
- ◆ Student will go to attendance office to sign out and receive an off-campus pass.
- ◆ On the next school day (or upon signing back in), the student should give the attendance clerk any documentation provided to excuse the time away from school.

**Food** delivered/dropped off for students during the day will be picked up by the student according to the following schedule:

- ⇒ Food delivered between the beginning of the school day and lunch may be picked up by the student at lunch time.
- ⇒ Food delivered after lunch may be picked up by the student after school.

Excerpt from the  
PHS 18-19 Student  
Handbook

#### Food and Drink

Food on campus should be limited to lunch time. During lunch time, food is allowed in Page High School buildings with the expectation that the area will remain clean. Page School District has put an extensive amount of work and resources into keeping Page High School clean; therefore, it is important to show respect by cleaning up.

The office **does not** deliver **money** to students during school. Please take care of this prior to them coming to school.

Hello Page High School Parents and Families,

I would like to take a moment to talk to you about the high school's identification procedure, which has been implemented this year. For the safety of our students and staff, we are requiring everyone wear their school issued identification while on campus. I am sure with all the recent events throughout the country I do not need to go into detail about the reasons this is necessary and beneficial to all.

As this is a change in the culture of Page High School, we have worked on rolling out implementation of this expectation over the course of the last month. So you are aware, the first week of school Student Handbooks were given to the students and reviewed so they knew the expectations. At this time, students were made aware of this procedure change. During the second and third weeks of school, students were given reminders of the expectation that they wear their identification at all times. Also, during this time we began working with students who have an economic hardship to obtain the identification free of cost.

We are now in the fourth week of school, and as such, have begun enforcement in order to uphold the expectation. Right now, if students are not wearing their identification in plain sight, it is considered as an act of defiance. Those students are being assigned lunch detention for their defiant behavior. It is not our desire to continually send students to lunch detention for this behavior, so we ask for your support at home. Please help us by taking a few moments to talk to your student about following this expectation; we greatly appreciate it.

One thing I would like to point out about this change in procedure is that we are trying to prepare our students for life after high school. More and more businesses and universities are going or have gone to similar procedures in order to ensure a safer workplace or campus. Thank you for your help with this. If you have any questions concerning this or any other disciplinary situation, please feel free to contact me.

Ben Jennett  
Dean of Students  
Page High School  
(928) 608-4136

We provided them with  
a FREE lanyard. :o)

**PHS is AVID school wide. AVID's mission statement is to close the achievement gap by preparing ALL students for college readiness and success in a global society. Reminder to all parents and students that a 2-3 inch binder is to be used by ALL students along with a daily calendar/planner to track activities and assignments. Please contact the school if you have any questions.**

## ATHLETIC & ACTIVITIES

### BAG POLICY

***Based on best practices being implemented at other venues around the country, bags of all types that are brought into the stadium are subject to search and fans are encouraged to use clear plastic bags as much as possible to speed passage through the checkpoints. Weapons, alcohol, drugs, tobacco, and other controlled substances are prohibited. Any person refusing a bag search will be denied access to the stadium. Please allow yourself ample time when you attend an event. Please review District Policy KFA, Public Conduct on School Property, for additional information.***

## Parent/Guardian/Family Code of Conduct

An important mission of the interscholastic sports athletics program is to teach and reinforce values relating to sportsmanship, competition, and fair play. It is expected that team personnel, parents, guardians and spectators respect this mission by exhibiting appropriate behavior at athletic events. A student may be suspended or removed from a team for un-sportsmanship like behaviors by a parent, guardian or family member if any of the following conduct codes are not followed:

- A. I will respect the coaching staff and their decisions, understanding this is competitive athletics.
- B. I will not enter the field of play/competition, scrimmage or practice unless otherwise asked to by a coach or game day personnel.
- C. I will not verbally or physically abuse, confront, taunt, harass or demean a coach, student athlete, opposing student athlete or coach, game day personnel, referee or official at any time.
- D. If I have a question regarding playing time or position, I understand there is 24 hour period of time after any competition before talking to the coach.
- E. I understand that parents/guardians or family members cannot coach their child or other student athletes from the sideline or anywhere else during a scrimmage, practice or games.
- F. I will make every effort to allow my child to attend all practices and/or games
- G. I will follow the "chain of command" to lodge a complaint beginning with the coach.
  - Student athlete initiates contact with their coach
  - If the player coach meeting doesn't resolve the issue, a meeting will be scheduled with the parent(s)/guardian(s), player, coach and athletic Director
  - All decisions will be made in the best interest of the team and student first.

Upon the first offence, a written letter of warning will be issued. A second offence will result in the parent/guardian being banned from all remaining athletic events for the school year. A third offense will result in the students' immediate removal from the team.

## Freshman Year

- Plan challenging high school courses
- Join/continue extracurricular activities
- Research college cost; continue/start saving for college
- Meet with your counselor at least once a year
- Explore careers on AzCIS
- Become familiar with college entrance requirements
- Attend summer camp at a college to experience a college-like atmosphere

do something **today**  
that your **future self**  
will thank you for

MotiveWeight

## Sophomore Year

- Continue to meet with your college/career counselor at least once a year or by visiting AzCIS and counselor.
- Think about what kind of education/training different careers require
- Start collecting college information; begin filling out a college comparison sheet

## Junior Year

- Keep meeting with your college/career counselor at least once a year
- Register for the ACT or SAT
- List, compare, and visit colleges
- Check into applying to colleges online
- Talk with your parents and high school counselor about colleges that interest you
- Start or update an academic resume
- Volunteer for activities and clubs related to career interests

## Senior Year

### August - December

- Visit with your school counselor to make sure you are on track to graduate and fulfill college admission requirements
- Ask for personal references and or recommendations from teachers, school counselors, or employers early in the year or at least two weeks before application deadlines
- Apply for admission at the colleges you've chosen
- Start the financial aid application process
- Keep working hard all year; second semester grades can affect scholarship eligibility
- Continue to look for scholarship opportunities

### January – May

- If you need it, get help completing the FAFSA
- Visit colleges that have invited you to enroll
- Decide which college to attend, and notify the school of your decision
- Keep track of and observe deadlines for sending in all required fees and paperwork
- Keep track of important financial aid and scholarship deadlines
- Compare financial aid packages from different schools

**Questions? Concerns? Contact our counseling department at 628-608-4198.**

**Parents of seniors** remind your students to check scholarship deadlines and get those applications in on time. There are several scholarship reminder emails you can sign up for, one is [www.fastweb.com](http://www.fastweb.com). Signing in with academic and personal information will help them know the scholarships your child can apply for and parents can sign up as well. Also, FAFSA night is coming up. AVID is sponsoring a FAFSA night on October 3rd at 6:30 in the library to help students sign up. All students must sign up for FAFSA in order to receive most scholarships. There will be a University trip coming up in September sponsored by AVID to several Utah schools, ask your AVID senior about it.
