

What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- » Link to goals of the school improvement plan
- » Focus on student learning skills
- » Describe how teachers will help students develop those skills using high-quality instruction
- » Share strategies parents can use at home
- » Explain how teachers and parents will communicate about student progress
- » Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff of Hogansville Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

If you would like to volunteer, participate and/or observe in the classroom, please contact our Family Liaison.

Building Partnerships

Anytime parents visit EKES- from luncheons to academic workshops-our partnership is strengthened. Please check the student handbook, website, and/or Social Media for scheduled events. If you would like to volunteer or mentor at the school, please let us know.

Communication about Student Learning

EKES is committed to frequent two-way communication with families about student's learning. Some of the ways you can expect us to reach you are:

- » Weekly homework folders
- » Email or phone calls
- » Updates on the school website and current grades in Infinite Campus.
- » Conferences on student progress
- » Home visits

Do you have questions about your child's progress?

Contact your child's teacher by phone at 706-812-7943 or e-mail. E-mail addresses are on the school website at ethel.troup.org

2024-2025 School-Parent Compact for Achievement 5th Grade Focus for Student Success

August 27, 2024

Our Goals for Student Achievement

District Goals

The Board of Education sets goals for the entire district. The district goals for 2024-2025 are:

1. Improved Lexile Levels, College & Career Readiness Index Scores (CCRPI) & Georgia Milestone Assessment (GMAS) scores.

*Reading on grade level & mathematical competency.

2. Observation of more rigorous instruction, increased implementation of STEAM and project based learning activities.

*Problem solving & critical thinking

School Goals

In 5th grade our school will focus on the following areas:

35% of students will meet proficient and distinguished on GMAS in ELA.

50% of students will meet proficient and distinguished on GMAS in Math.

When teachers, students and families work together, we CAN achieve our goals!

Teachers, Parents, Students - Together for Success

In the 5th Grade Classroom

The 5th grade classroom will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

Teachers will communicate via Class Dojo and the Tuesday folder. Testing tips, Study Guides, and Homework help will also be provided through these means.

Use data from iReady and the System Formative and Summative to guide GMAS preparedness.

Use Small Group time to remediate standards for Mastery.

At Home

Ethel Kight Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math.

Have students read for thirty minutes each night.

Review work with your children that comes home in Tuesday folders.

Make and use flash cards for fact fluency and vocabulary words.

EKES Students

Ethel Kight Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school:

Study at school and at home. Review vocabulary words nightly.

Read questions more than once and use your strategies when test taking.

Pay attention in class and remain focused.

Additional Key Points for Success

1. Go to bed on time.
2. Arrive at school no later than 7:25 each day in order to enjoy breakfast.
3. Come to school prepared.
4. Strive to be at school and on time every day.
5. Good relationship with teachers for open communication.
