teacher of the month

MS. VALENTINE

Hey Page High school, so as you know we've been asking you all to vote for the teacher of the month. Well after many days of voting the results are in. Your Teacher of the Month is Ms.Valentine! Many students had so many wonderful things to say about her. Ms. Valentine is said to be the "best of the best". She's not only a teacher and a friend but someone that students can look to for help or advice with anything. She puts the students needs first and always makes sure no one is left behind. Valentine gets to know her students and takes time to understand each of them individually creating a great student and teacher bond. Valentine has the best vibes and is said to be a super cool English teacher. So congrats to Ms.Valentine, you clearly deserve every ounce of recognition for teacher of the month!!!

Words from Ms. Valentine:

"Thank you Sand Devils! I am so blessed to be working here at PHS. Y'all are truly immaculate young people that give me much needed serotonin. Honestly, I also feel like my students teach me more about life than I do them about literature. I couldn't be happier to come to work everyday and love the people I'm around who inspire me constantly. Ahéhee'."

Thank you to all who voted &
Congrats again to Ms.Valentine!
