

GED Classes

Adult Education GED classes prepare students to pass the high school equivalency tests.

Classes: Tuesdays & Thursdays
5:30—8:30 p.m.
September—May

Classes help students build, review and refresh skills in Math and Reading Language Arts (RLA)

Students will have in-person and online practice in all four areas of the test: Math, RLA, Science, Social Studies

Each class period includes:

- One-hour teacher led math lesson;
- One-hour teacher led RLA lesson;
- One hour online practice, using GED Academy

Enjoy a positive and inviting environment with our dedicated and professional staff.

A winning combination for SUCCESS!

The ged.com website has free resources in addition to our course work.

Additional study leads to earlier success in earning the high school credential.

To create an account, go to ged.com and follow links to practice tests and other important information about the GED exams.

ESL CLASSES

Classes are offered at FIVE levels.

Students are placed in a class that is appropriate for their current skills in English. Students will progress through levels as their experiences with English develop.

In ALL classes, students work on all areas of language skills:

- LISTENING
- SPEAKING
- READING
- WRITING

The goal of all classes is to help students develop English skills so that they are

- ◇ More fluent in conversation
- ◇ More comfortable accessing community resources
- ◇ More able to support their children's school experiences
- ◇ More knowledgeable about American culture and customs
- ◇ More able to apply and interview for a job

CHILD CARE is provided at no cost for students attending class. Children must be 4—12 years old.

What will you LEARN in class?

We use the STAND OUT curriculum materials from National Geographic Learning.

Students will learn

- * Vocabulary
- * Basic sentence structure & grammar
- * Accurate pronunciation of English words
- * Conversation skills to use every day
- * American history and citizenship

Students will practice

- * Essential skills in English like telling time, providing an address, reading a prescription bottle
- * Managing a doctor's visit or a meeting with your child's teacher
- * Completing a job application or rental agreement
- * Handling banking and finances

Make new friends!

Laugh a lot and have fun while learning!
ESL class is a time to learn and connect with others.

What will you DO in class?

- All classes have a certified, experienced teacher.
- Class activities include active collaboration and an open, encouraging environment.
- Students have lots of opportunity for speaking English with teachers and other students.
- ESL newspapers give news about current events.
- Holidays are observed with special activities.
- Students can explore how to be a part of American society while honoring their own cultures.

A coffee break each evening provides more opportunity to practice English and meet fellow students.
