## ANIME

Anime Club is a social club which consists of students who love to watch Anime and are interested in Japanese culture. As a club we decide what Anime we watch and if we would like to go on any field trips together. Some benefits of joining Anime are Socializing, you get to hang out with other dedicated anime fans and learn from them. Friendships, maybe you'll become best friends with some of them. And that could be a good thing. Networking, you get to know people of similar interests, who may be able to help you in an unrelated way. You never know. First Hand experience, you'll learn what it's like to run an anime club, be a part of one, and have all kinds of experiences. Finally, you never know where it could lead to. Besides - doing it is better than "thinking about it" because it's better to try something than to never do it and regret.

## A.V. CLUB

A.V. Club meets twice a month to discuss and study the art of photography in a hands-on way that involves unique opportunities to get out into the real world and do some snapping! Even if you only have an iPhone camera, you're welcome to join us as we seek to grow together as photographers and student of light! We have several DSLR cameras for you to learn on and would be happy to have you join us as often as you're able to see what develops. In addition to going on adventures together, taking and developing photos, we also order prints of our best work from time to time to showcase within the building.

## BASS FISHING

The Bass Fishing Club meets initially in the fall to establish the team (and get in any fishing if we can before the weather turns cold). It slows its activity a little in the winter months (for obvious reasons) and picks back up again in the spring for our competition season. In our meeting, we discuss fishing strategies and begin practicing skills. They compete in fishing tournaments in the spring, the IHSA state series each April, and the Upstate 8 Conference tournament each May. The team is open to all during the school year, and then we pare down numbers for competition season.
