Cale Bushman, Interim Superintendent of Schools

August 30, 2024

Dear Wausau School District Community:

As the month comes to a close – we are just reaching out to let you know that our Elementary Facility Plan Citizen Task Force met for the third time on August 21, 2024. As another reminder, this is part of the Wausau School District/Board's process to create a long-range elementary school facilities plan. That plan will focus, in particular, on whether the number of elementary schools in the Wausau School District should be reduced and if so, then how, where, and when.

Facilitating the process is Mark Roffers from MDRoffers Consulting, LLC – a school facility planning, projections, and facility planning firm.

To ensure transparency throughout this entire process, we want you to know what's happening in those task force meetings. To help, we've created a webpage dedicated to the work of the task force. Click [here](#) to access it. At the bottom of the page, you'll find agendas, meeting summaries, and materials from each meeting. As you'll see, the meeting on August 21 was really about understanding transportation and how it works in the district, the district's finances, and educational programming and policy.

The task force will meet again on September 11 at 5:30 p.m. at the Longfellow Administration Center.

At the conclusion of their work in December, the task force will prepare and present a report summarizing their findings and advisory recommendations to the School Board. Any final decisions will come from the Wausau School Board as the task force is advisory only.

In the meantime, we sure hope you and your students have a wonderful weekend ahead! We can't wait to see them on Tuesday! Thank you for your partnership!
