Dear HTSD Community,

I am excited to introduce our new, redesigned district website which will provide you with quick and easy access to the information you are looking for as a community member, parent, student, or staff member. I'd like to thank the HTSD Technology Department as well as the many staff members across the district who made this transition possible and who will continue to build out the website with new and relevant information.

Starting the week of November 13th, teacher webpages will also be accessible from the main district website. Earlier this fall, many teachers attended training sessions to learn about the features of the new site; additional training will be provided over the next few weeks.

Take some time to visit our new district website and see what it has to offer at [www.hamilton.k12.nj.us](http://www.hamilton.k12.nj.us). As we move forward with the new site, please let us know what we can do to enhance your experience. Please use the following [Google Form](#) to provide feedback.

Sincerely,

*Scott Rocco*
