Additional days of suspension beyond ten (10) must be approved by the School Board.

ARTICLE 12

- 12.1.3 Immediate Administrator: An immediate administrator is the administrator having immediate jurisdiction over the employee who is filing the grievance.
- 12.1.4 Day: A day is any day which the students are required to be in attendance. If a grievance is in progress when school is dismissed for summer vacation, all time lines in the grievance procedure will be met and day shall be defined as Monday through Friday (holidays excepted). This shall be the only exception to the definition of day.

12.2. Grievance Steps

- 12.2.1 The Association may initiate a grievance at level one or two.
- 12.2.1 Step 1 - Immediate Administrator: If a problem is not settled during informal discussions and the employee wishes to pursue the matter, the employee shall file a grievance in writing to the immediate administrator. This presentation shall be within a reasonable time: but not to exceed thirty (30) days after the grievant knew or by reasonable diligence should have known of the act or condition upon which the grievance is based. The written information shall include: (a) names, dates, and places necessary for a complete understanding of the grievance; (b) a listing of the provisions of this agreement which are alleged to have been violated; (c) a listing of specific actions requested by the public school employer which will remedy the grievance. Within ten (10) days of receipt of the grievance the immediate administrator shall respond in writing to the grievance.
- 12.2.2 Step 2- Superintendent: If the grievant is not satisfied with the disposition of the grievance in Step 1, the grievance shall be transmitted to the Superintendent or the Superintendent's designee within ten (10) days. Within five (5) days from the receipt of the grievance the Superintendent or designee shall meet with the grievant on the grievance and shall indicate the disposition of the grievance in writing within five (5) days of such meeting and shall furnish a copy thereof to the employee organization and to the grievant.
- 12.2.3 Step 3 - Board of Trustees: If the Superintendent's response is not satisfactory to the grievant in Step 2, the grievance shall be transmitted to the Board of Trustees within ten (10) days. At the next regularly scheduled board meeting the Board shall conduct a hearing in Closed Session, unless the grievant desires to have the hearing in Open Session. Within twenty (20) days after the hearing the Board shall render a decision and furnish a copy to the employee organization and grievant.
- 12.2.4 Step 4 – Arbitration: If the Board of Trustees' response is not satisfactory to the grievant in Step 3, the grievant may submit a written request for arbitration to the Superintendent. No grievant may proceed to Step 4 without the consent of the Association. The grievance is resolved if a written request for arbitration is not submitted within ten (10) days after the receipt of the Board of Trustees' decision. If the Board of Trustees fails to render a decision, within twenty (20)

days of the Board of Trustees' receipt of the appeal or any amendment thereof the grievance is resolved in favor of the grievant.

12.2.5 Only issues which were processed and handled in accordance with the grievance procedure of this Article 12 are subject to arbitration.

12.3. Arbitration Timelines and Notes

12.3.1 Within ten (10) days of receipt of the request for arbitration, the Superintendent shall request the California State Conciliation Service to supply a panel of seven (7) names of persons experienced in hearing grievances in the public sector. Within five (5) days after receipt of the list of names, the Association and the Superintendent or the Superintendent's designee shall alternately strike a name until only one name remains. The remaining panel member shall be the arbitrator. The order of striking shall be determined by lot. In the event the Association does not appear for the striking process within the allotted five (5) days, the grievance is deemed to be resolved.

12.3.2 Within seven (7) days of the selection of the arbitrator, the Superintendent or the Superintendent's designee and the grievant shall attempt to agree upon the issue or issues to be submitted to the arbitrator and this agreement shall be reduced to writing. If they are unable to agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each Step.

12.3.3 In the event there is a dispute between the District and the grievant as to the arbitrability of any issue or issues the question of arbitrability shall be determined prior to a resolution of the substantive issue or issues. That determination shall be made by an arbitrator who will resolve the issue of arbitrability and who shall not be the same arbitrator who hears and resolves the substantive issues of the grievance unless the parties to the grievance mutually agree after the determination of arbitrability that the same arbitrator shall hear and resolve the substantive issues. The selection of a second arbitrator to hear the substantive issue or issues shall be postponed until after the determination of arbitrability and shall be made in accordance with the above procedures unless the parties agree to have the arbitrator who made the determination regarding arbitrability also hear the substantive issues.

12.3.4 In the event the issue or issues are determined to be arbitrable the grievance shall be referred to the Superintendent or the Superintendent's designee for reconsideration of the decision in accordance with the provision of Step 3, prior to the selection of a second arbitrator.

12.3.5 The fees and expenses of the arbitrator and the hearing shall be borne equally by the District and the Association. All other expenses, except release time provided for the grievant and his/her representative, shall be borne by the parties incurring them.

12.3.6 The arbitrator shall afford the District and the grievant a reasonable opportunity to present evidence, witnesses and arguments. The arbitrator shall render a written decision on the issue or issues submitted to the arbitrator as soon as possible after the close of the hearing, or if an oral hearing has been waived, after the final submission of written evidence and final statements.

12.3.7 The District and the Association agree that the jurisdiction and authority of the arbitrator so selected and the opinions he/she expresses will be confined exclusively to the interpretation of the express provision or provisions of this Agreement at issue between the parties. The arbitrator shall have no authority to add to, subtract from, alter, amend or modify any

provisions of this Agreement or impose any limitations or obligations not specifically provided for under the terms of this Agreement. The arbitrator shall be without power or authority to make any decision that requires the District or the administration to do an act prohibited by law, or in violation of this Agreement or that involves the exercise of discretion by the District under the provisions of this Agreement or applicable law. The arbitrator shall have no power to render an award on any grievance occurring before or after the term of this Agreement.

- 12.3.8 The decision of the arbitrator within the limits prescribed shall be final and binding upon the parties to the dispute.
- 12.3.9 Unless the parties mutually agree to share the expenses, the cost of the services and expenses of the court reporter shall be paid by the party requesting the same. If, however, one of the parties declines to share the expenses of the court reporter and subsequently requests a transcript of the arbitration proceedings or a copy thereof that party shall be required to reimburse the other party one-half of the cost of the court reporter's services and expenses. The cost of any transcript or any copy thereof requested by either party shall be borne by the party requesting the same.
- 12.3.10 A reasonable number of relevant employee witnesses shall be provided release time without loss of pay for the purpose of testifying at the arbitration hearing provided all such employee witnesses shall be allowed to be placed on an on call status and required to attend the arbitration hearing for only so long as his/her testimony is taken. The cost of any substitute employee to fill the position during the employee's absence for this purpose shall be paid by the party requesting the presence of the witness.
- 12.3.11 By filing a grievance and processing it beyond Step 3, the grievant expressly waives any right to statutory remedies or to the exercise of any legal process other than as provided by this grievance/arbitration procedure. The processing of a grievance beyond Step 3 shall constitute an express election on the part of the grievant that the grievance/arbitration procedure is the chosen forum for resolving the issues contained in the grievance, and that the grievant will not resort to any other forum or procedure for resolution or review of the issues. The parties do not intend by the provisions of this paragraph to preclude the enforcement of any arbitration award in any court of competent jurisdiction.

12.4. Miscellaneous Provisions

- 12.4.1 Settlement at Lowest Level: Most grievances arise from misunderstanding or disputes which can be settled promptly and satisfactorily on an informal basis at the immediate administrative level. The employer and the exclusive representative or employee organization agree that every effort will be made by management and the grievant to settle grievances at the lowest possible level. Inasmuch as dissatisfactions and disagreements rise among people in any work situation the filing of a grievance shall not be construed as reflecting unfavorable upon an employee's good standing, performance, or loyalty or desirability to the organization. Employees, employee representatives and all other persons involved in the presentation of a grievance will be free from restraint, interference, coercion, discrimination, or reprisal.
- 12.4.2 Grievance File: All records of the proceedings shall be retained in a special grievance file maintained by the personnel department. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel file of the participants and shall be considered confidential.

- 12.4.3 Released Time: A reasonable amount of time will be allowed for the processing of grievances at times which will not interfere with the regular duties of the participants. If any grievance meeting or hearing must be scheduled during the school day, any employee required to participate as a witness or grievant in such meeting or hearing shall be released from regular duties without loss of pay for a reasonable amount of time.
- 12.4.4 Timely Action by Parties: When a grievance has been filed by an employee, the grievant may terminate the grievance at any time by giving written notice to the public school employer or its designee. Failure by the administration to adhere to decision deadlines (response time limits) constitutes the right to appeal automatically to the next step (higher level). Failure of the employee to adhere to the submission deadline (time limits) or follow sequential step procedures shall be deemed a termination of the grievance by the employee and waives any right to further appeal within this procedure.
