 - B. This Agreement is entered into pursuant to the Educational Employment Relations Act, Government Code Section 3540-3549.3.
- II. RECOGNITION
 - A. The District recognizes CSEA as the sole and exclusive bargaining representative for all regular employees employed in the classifications of the regular classified service set forth in Appendix C, which is a part of this Agreement. The District further recognizes CSEA as the exclusive bargaining representative for all newly created positions, except those that are Certificated, Management, Confidential, Supervisory, temporary substitute short-term, or a student employee. Disputed cases shall be jointly submitted to the Public Employment Relations Board ("PERB").
- III. MEMBERSHIP/ ORGANIZATIONAL SECURITY
 - A. The District shall distribute CSEA-supplied membership applications to new hires (but not make any statement suggesting workers must join). The District shall refer all employee questions about CSEA or dues over to the CSEA Labor Relations Representative. CSEA shall defend and indemnify the District for any claims arising from its compliance with this clause. This agreement shall satisfy the District's duty to bargain effects of Janus decision.
 - B. The District shall not interfere with the terms of any agreement between CSEA and the District's employee with regard to that employee's membership in CSEA, including but not limited to automatic renewal yearly unless the worker drops out during a specified window period. The District need not keep track of this period which shall be tracked by CSEA within its membership database.
 - C. CSEA shall have the sole and exclusive right to receive the payroll deduction for regular membership dues.
 - D. The District shall deduct in accordance with the CSEA dues schedule, dues from the wages of all employees who are members of CSEA.
 - E. The District agrees not to discriminate against any employee because of membership in CSEA.
 - F. The District's managers, supervisors and confidential employees shall not comment regarding employees' decisions to belong to an employee organization or participate in its activities. Managers, supervisors and confidential employees shall not instruct employees on the process to leave CSEA, but instead simply refer any questions to the CSEA Labor Relations Representative and shall obtain their approval on behalf of the union before processing any revocation request.

- G. The District shall not be obligated to put into effect any new or changed deductions until the pay period commencing thirty (30) days or more after such submission.
- H. There shall be no charge by the District to CSEA for regular membership dues deductions.
- I. The District shall furnish to CSEA a list of new hires with their name, classification and date of hire; and in addition, shall furnish CSEA a list of terminations for cause and layoffs of permanent employees prior to any formal action by the District.
- J. Prior to the first day of instruction of each academic school year, the District will conduct a new employee orientation session to inform employees about District operations and personnel procedures. Representatives of CSEA will have the opportunity to address employees during the session
- K. Employee Rights
 - 1. The District and CSEA recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join, and participate in employee organizations. Neither party shall exert pressure upon nor discriminate against an employee in the exercise of these alternative rights. Accordingly, membership in CSEA shall not be compulsory.
- L. Membership Information
 - 1. The District shall take all reasonable steps to safeguard the privacy of CSEA members' personal information, including but not limited to unit members' Social Security Numbers, personal addresses, personal phone number, personal cellular phone number, and status as a union member.
 - 2. The District shall reject all Public Records Act requests from outsiders for work email addresses for bargaining unit members unless there is a court decision directing public agencies to release this information.
 - 3. The District shall use its best efforts to filter out outsiders' emails to work email addresses soliciting against union membership. District shall only post on the public portion of its website work email addresses for unit members whom the public needs to contact.
- M. Minimum requirements for automatic payroll deduction of fee:
 - 1. The District is under no obligation to make payroll deductions for periods during which a unit member is either terminated from active employment or not on the District's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence without pay for more than thirty (30) days.
 - 2. The unit member's earnings must be sufficient after other legal and required deductions are made to cover the amount of the dues or service fees to be deducted.
 - 3. When a unit member is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period. In the case of a unit member who is in a non-pay status during only part of the pay period, and

the salary is not sufficient to cover the full withholding, no deduction shall be made. All other legal and required deductions have priority over CSEA dues and service fees.

N. District's Obligations

1. The District's obligations under this Article are: (1) to notify unit member(s) who have failed to comply with the provisions of this Section that, as a condition of employment in the District, the unit member must either become a CSEA member, pay a service fee, or establish an exempt status and make payment pursuant to the provisions of this Agreement; and (2) deduct from pay appropriate amounts pursuant to Sections B and D of this Article. - K. A unit member shall be permitted to interrupt or terminate vacation leave in order to begin another type of paid leave provided by this Agreement, without a return to active service, provided the unit member supplies notice and supporting information regarding the basis for interruption or termination to the District.
- L. Holidays within a vacation period shall be paid as holidays and shall not count as vacation days.

 - 4. A unit member may convert unused sick leave to retirement credit to the extent required by the Government Code if the unit member retires.
 - 5. Sick leave may be used for the illness or injury of the unit member. Sick leave may also be used by the unit member to attend to a sick or injured member of the immediate family, residing in the unit member's household. The "immediate family" shall be the same as defined in "Bereavement Leave" (VIII F).
 - 6. When the District has reason to believe that there are excessive absences for a unit member, the District may require a physician's verification for absences of five (5) or more days in any three-month period and/or more than four (4) consecutive days. The unit member may request and shall be given in writing the reasons upon which the requirement for verification is based.
- C. Industrial Accident or Illness Leave
 - 1. In addition to any other benefits that a unit member may be entitled to under the workers' compensation laws of this state, unit members shall be

entitled to the following benefits: A unit member suffering any injury or illness arising out of, and in the course and scope of employment, shall be entitled to a leave of up to sixty (60) working days in any one (1) fiscal year for each accident or illness. This leave shall not be accumulated from year to year, and when any leave will overlap a fiscal year, the unit member shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred for the same illness or injury.

2. Payment for wages lost on any day shall not, when added to a temporary disability award granted the unit member under the workers' compensation laws of this state, exceed the normal wage for the day.
3. Industrial accident or illness leave will commence on the first day of absence. The industrial accident or illness leave is to be used prior to using normal sick leave benefits. When entitlement to industrial accident or illness leave under this Section has been exhausted, entitlement to other sick leave, vacation, or other paid leave shall then be used. If, however, a unit member is still receiving temporary disability payments under the workers' compensation laws of this state at the time of the exhaustion of benefits under this Section, the unit member shall be entitled to use only so much of the unit member's accumulated or available normal sick leave, vacation, or other available leave which when added to the workers' compensation award, provides for a day's pay at the regular rate of pay. Only the amount of salary paid by the District shall be charged against a unit member's sick leave or vacation credit.
4. Any time a unit member on industrial accident or illness leave is able to return to work, the unit member shall be reinstated without loss of pay or benefits, whenever possible in the unit member's position.

D. Extended Sick Leave/Differential Pay

1. When a unit member is absent from their duties because of illness or accident and sick leave described in Section VIII B of this Article has been exhausted, the unit member would immediately begin differential pay for up to 100 workdays and the District will require and request a doctor's note in order for the unit member to qualify for this provision. While using differential pay, the amount deducted from the unit member's salary shall be 50% of the unit member's salary for the days of absence.
2. Unit members having a work schedule of less than twelve (12) months per year and/or less than eight (8) hours per day shall be entitled to a pro rata of sick leave under this Section based on regular time worked to full-time employment.

E. Break-In-Service

1. Periods of leave of absence, paid or unpaid, shall not be considered to be a break in the service of the unit member. In addition, whenever a unit member is on any kind of paid leave, they shall receive all of the benefits

provided for by this Agreement as if they were in an actively employed status.

F. Bereavement Leave

1. In case of death in the unit member's immediate family, paid bereavement leave, not to exceed five (5) days, shall be made available to the unit member. The "immediate family" is defined as mother, father, grandmother, grandfather or grandchild of the unit member or of the spouse of the unit member, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, brother-in-law, sister, sister-in-law, niece, nephew, aunt, uncle, and cousin of the unit member or any relative living in the immediate household of the unit member. This leave may also be utilized in cases of miscarriage or stillbirth.

G. Jury Duty

1. Each unit member who is required to serve as a juror or appear as a witness under subpoena, except in a case where the unit member is a litigant, in any Court of the State or of the United States shall be entitled to and shall receive, during the unit member's service as a juror, the unit member's regular salary less any and all per diem fees, except mileage, which the unit member may be entitled to receive for performing duties as a juror or as a witness.

H. Family/Child Care Leave Benefits

1. Pregnancy Disability Leave

- a) During a pregnancy disability leave, the unit member shall retain status, and leave shall not constitute a break in service for any purpose.
- b) A unit member may use sick leave and/or extended sick leave for disability due to pregnancy, childbirth, miscarriage, or related medical conditions, and recovery from these conditions.
- c) The length of pregnancy disability leave, including the date on which the leave shall begin and the date on which the unit member is no longer disabled because of pregnancy and shall return to work, shall be determined by the unit member and the unit member's physician.
- d) Before returning to work from a pregnancy disability leave, the unit member shall obtain a "return to work" certification from their health care provider stating that they are able to resume their job duties.
- e) Pregnancy disability leave shall not be granted to provide periods of convalescence beyond disability prior to or following a childbirth. Pregnancy disability shall not be granted to provide childcare.

I. Eligibility for Parental Leave

1. A unit member who takes a pregnancy disability leave and is eligible for leave under the California Family Rights Act ("CFRA"), may take unpaid CFRA leave for reason of the birth of their child.
2. To be eligible for parental leave under CFRA, unit members must have completed twelve months of service in the District and have performed 1,250 hours of service during the previous twelve month period.
3. Unit members who have completed twelve months of service in the District, but have not performed 1,250 hours of service during the previous twelve month period, are still eligible for parental leave under Education Code 45196.1.
4. Other parental leave of absence and/or childcare leave of absence may be granted under the same conditions as unpaid leaves of absence.

J. Parental Leave Provisions

1. The provisions below apply to parental leave taken under CFRA or under Education Code 45196.1 as referenced in Section H above.
 - a) All unit members who meet the eligibility requirements in Section I.2 and I.3 are entitled to 12 workweeks of parental leave in any 12-month period.
 - b) Unit members may take parental leave in intermittent periods of two (2) weeks at a time; however, the aggregate amount of parental leave taken shall not exceed the 12 workweeks in any 12-month period. Exceptions may be made upon request and approval.
 - c) If a school year concludes before the 12-workweek period is exhausted, the unit member may take the balance of the 12-workweek period in the subsequent school year but the aggregate amount of parental leave shall not exceed 12 workweeks in a 12-month period.
 - d) Unit members may use their regular accrued paid sick leave and, when exhausted, extended sick leave per Section D (Extended Sick Leave/Differential Pay), for a total of 12 workweeks in any 12-month period.
 - e) The unit member is also entitled to use their vacation leave in taking parental leave, if the unit member chooses to do so.
 - f) The unit member can choose to, but is not required to, use their paid leaves, e.g., sick leave or vacation leave, when taking parental leave.
 - g) When all paid leaves have been exhausted, the unit member is entitled to utilize unpaid leave for the duration of the 12 workweeks of parental leave.
 - h) When both parents of the child are employed by the District, and are classified bargaining unit members, each parent is not entitled to 12 weeks individually but the co-parents shall be entitled to a

total of 18 workweeks of parental leave, with up to six (6) weeks of overlap, with neither parent exceeding twelve (12) weeks.

K. Family Care and Medical Leave

1. Eligible unit members are entitled to unpaid leave of absence according to the terms and conditions of the federal Family Medical Leave Act and the California Family Rights Act.

L. Relationship Between Pregnancy Disability, FMLA and CFRA Leaves

1. A pregnancy disability leave will run concurrently with the unit member's FMLA leave entitlement.
2. At the end of the unit member's period(s) of pregnancy disability leave, or at the end of four months of pregnancy disability leave, whichever occurs first, a CFRA-eligible unit member may request to take CFRA leave up to 12 work weeks for reason of the birth of a child.
3. The 12-week period will be reduced by any period of sick leave, including accumulated sick leave taken during the period of leave.
4. A unit member will not be provided more than 12-work weeks for parental leave under CFRA during any 12-month period. A 12-month period is measured backward from the date an unit member first uses CFRA. When a unit member takes CFRA leave, the remaining leave entitlement will be the balance of the 12 weeks which has not been used during the preceding 12 months.
5. During each school year, when a unit member has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent from his/her duties for parental leave for a period of up to 12 work weeks, the amount deducted from his/her salary for any of the additional 12 weeks in which the absence occurs will not exceed 50% of the unit member's salary and the unit member will receive differential pay.

M. Enhanced CFRA Leave

1. Beginning July 1, 2021, all permanent members shall earn five (5) work days of enhanced CFRA leave per year of service, up to a maximum of ten (10) work days. This leave is either fully paid and included as part of the standard CFRA leave, or paid at the differential rate and utilized after the conclusion of standard CFRA leave, at the unit member's discretion, for up to a maximum of ten (10) work days per calendar year.
2. The leave shall be taken in five (5) work day increments, which must be continuous, cannot be used intermittently, and are not applicable during break or non-work time. The leave must be taken within 12 months of:
 - a) the birth of a newborn
 - b) adoption of a child
 - c) the fostering of a child in accordance with the age requirements under CFRA
3. The enhanced CFRA is used as a "bank." As a member uses this leave, it is taken out of their bank. This leave is not transferable to another member.

4. If the unit member has earned less than ten (10) work days of enhanced CFRA, they may utilize their accumulated sick leave for the balance of the ten (10) work day period.
5. After June 30, 2026, accrual under Article VIII.M.1 will sunset. Enhanced CFRA leave time accrued through June 30, 2026 will not be lost. Continuation of this leave will need to be renegotiated as part of the successor agreement.

N. Military Leaves

1. A unit member who is a member of the reserve corps of the armed forces of the United States of America, the National Guard or the National Militia is entitled to temporary military leave of absence in accordance with the provisions of the Military and Veterans Code and the California State Education Code. A copy of the military orders shall accompany the request for leave. A unit member shall retain all rights and privileges granted by law arising out of the exercise of this leave.

O. Necessity Leave

1. Unit members may use up to seven (7) days of accrued sick leave per year, for the following reasons:
 - a) Death of a member of the immediate family as defined in Section VIII E above, when additional leave is required beyond that which is provided under bereavement leave.
 - b) Accident involving the unit member's person or property, or the person or property of a member of the unit member's immediate family, as defined under bereavement leave.
 - c) Serious or critical illness of a member of the unit member's immediate family, as defined under bereavement leave, requiring the unit member's absence from work.
 - d) Appearance in any court or before any administrative tribunal as a litigant, party or witness under subpoena or any order made with jurisdiction. Five (5) days advance notice shall be given by the unit member whenever possible.
 - e) Advance approval of personal necessity leave under circumstances described in Section O is not required, but the unit member shall notify the District of the need for the leave in accordance with standard practices. The District may require verification of the reason for personal necessity leave following the unit member's return.
 - f) Religious leave: providing at least a two (2) week notice has been given to the immediate supervisor.

P. Personal Day

1. A unit member may use a portion of the unit member's accumulated sick leave for personal need. No reason shall be required. Unit members shall give as much advance notice as possible. Eleven-month and twelve-month unit members may utilize four (4) days of sick leave per

year for this purpose, and ten-month unit members may use three (3) days per year for this purpose.

Q. Leave For Illness Of A Child, Parent, Or Spouse

1. In any school year, unit members may use up to a maximum of one-half the annual amount of days accrued and available for sick leave under Section VIII B to attend to an illness of the unit member's child, parent, spouse, domestic partner, or children of domestic partner. This leave shall be in addition to any other rights to leave afforded by this Article.
2. All restrictions upon the unit member's use of sick leave shall apply to the use of sick leave to attend to the unit member's child, parent, or spouse under this Section.
3. This Section does not extend the maximum period of leave to which a unit member is entitled under the Family Medical and Leave Act of 1993, the California Family Rights Act (Government Code Section 12945.2), and District policies implementing these Acts regardless of whether the unit member receives sick leave compensation during that leave.

R. Other Paid Or Unpaid Leave

1. The District may grant other paid or unpaid leaves of absence upon mutual agreement between the District and the unit member. Agreement under this Section shall not establish precedent.

S. Catastrophic Leave

1. On a case-by-case basis and with mutual agreement of CSEA and the District, unit members may donate accumulated and unused eligible leave credits to another unit member when that unit member or a member of their family suffers from a catastrophic illness or injury.

T. Definitions

1. "Catastrophic illness" or "injury" means an illness or injury that is expected to incapacitate the unit member for an extended period of time, or that incapacitates a member of the unit member's family, and that incapacity requires the unit member to take time off from work for an extended period of time to care for that family member, and taking extended time off from work creates a financial hardship for the unit member because all of their sick leave and other paid time off has been exhausted.
2. "Eligible leave credits" means the hours of sick leave accrued by the donating unit member. Eligible hours to be donated are those that exceed the accrued hours necessary to support 24 days of absence. For purposes of this program, all hours allocated to a unit member for differential leave will not be eligible.
3. "Family members" shall be defined as spouse, child or parent.

U. Eligibility

1. Eligible leave credits may be donated to a unit member for a catastrophic illness or injury if all of the following requirements are met.

2. The unit member who is, or whose family member is, suffering from a catastrophic illness or injury requests that eligible leave credits be donated and provides verification of catastrophic injury or illness as required by the District.
3. The District determines that the unit member is unable to work due to the unit member's, or their family member's, catastrophic illness or injury.
4. The unit member requesting donation of sick leave has exhausted all accrued paid leave credits, including differential leave.

V. Procedure

1. A unit member who wishes to receive the catastrophic illness benefit must request in writing to CSEA and District that sick leave donations be solicited on their behalf. The request must be accompanied by a verification of the catastrophic injury or illness.
 - a) Donations will be solicited anonymously by a joint announcement of CSEA and District on behalf of an individual who meets the requirements for this benefit.
 - b) The unit member who volunteers to donate sick leave must donate in minimum increments of the number of daily hours of employment of the unit member requesting the donation and the amount of the donation may not exceed eight (8) hours.
 - c) The maximum amount of time that donated leave credits may be used by the recipient unit member shall not exceed twenty (20) days per illness, recurrence, or injury. Donated leave credits must be used consecutively. A recipient of donated leave may not alternate between paid and unpaid status.
 - d) All transfers of eligible leave credits shall be irrevocable. However, if the leave is not used it will revert to the donor(s) in the order in which it was donated.
 - e) A unit member who receives paid leave pursuant to this Section shall use any leave credits that they continue to accrue on a monthly basis prior to receiving paid leave pursuant to this catastrophic illness benefit.
 - f) Donated leave credits shall be used in the order donations are received.
 - g) The recipient shall be paid at their regular rate of pay.
 - h) The District may adopt rules and regulations for the administration of this benefit as long as the regulations do not conflict with the specific provisions of the collective bargaining agreements. Such rules and regulations will be submitted to CSEA for review prior to implementation.
 - i) Any entitlement to family leave under the Federal Family and Medical Leave Act and the California Family Rights Act will run concurrently with the leave created by donations.

IX. HEALTH AND WELFARE BENEFITS

A. Medical Insurance: CalPERS Plans

1. The District will pay the basic monthly minimum payment to CalPERS required by Section 22892 of the Government Code as long as the District participates in the CalPERS Medical Program, and the law requires this payment.
2. The District will contribute to each full time (8 hour per day, 1.0FTE) unit member for medical, dental and vision insurance, on an individual basis. The district will contribute up to the following maximum total amounts per full time unit member and dependents toward the premiums of the insurance programs listed in Sections A, B, and C(medical, dental, and vision).
 - a) \$13,077.72 for those enrolled in single medical programs
 - b) \$13,583.04 for those enrolled in two-party medical programs
 - c) \$15,317.04 for those enrolled in family medical programs
3. The parties agree that at no time shall the caps listed in a), b), and c) above be less than the combined cost of the Kaiser single rate plus the cost of dental and vision plans. Unit members enrolled in insurance programs for which the total premiums for medical, dental, and vision insurance exceed the amounts listed above will have the difference deducted proportionally from each of their monthly paychecks.
4. If a unit member works at least 6 hours or more per day (.75 FTE), they will be eligible for the same district contribution toward single medical programs as a full time (1.0FTE) unit member as outlined in b) above. If the unit member is enrolled in two-party or family medical programs the district contribution will be either the full time (1.0FTE) single medical program contribution amount or the prorated two-party or family medical programs amount, whichever is greater.

B. Dental Insurance:

1. Unit members working 50% or more must subscribe to the dental insurance program. Eligible dependents must also be enrolled when a unit member first becomes eligible for insurance and will not be eligible for enrollment otherwise unless life events occur such as marriage, birth, adoption or loss of employment by spouse as recognized by the insurance plans.
2. There will be no open enrollment period subsequent to initial employment unless as provided by the District dental plan.

C. Vision Insurance:

1. A vision plan is available to unit members working 50% or more. Enrollment in the vision plan is a one-year commitment.

D. Long-Term Disability Insurance

1. All unit members shall be enrolled in American Fidelity's Long-Term Disability Insurance plan including the Paid Family Leave Limited Benefit Rider at the unit member's expense.

- E. Part-time unit members, working 50% or more, shall receive a pro rata share of the District's contribution toward health and dental insurance premiums and be eligible for benefits based upon the number of hours worked as compared to a full-time unit member.
- F. The District will provide a Section 125 plan. A Section 125 plan allows the unit member to use pre-tax dollars to pay for medical, dental, child and parental care out of pocket expenses
- G. Domestic Partner Benefits
 - 1. The District will provide health benefits for qualified domestic partners of unit members to the same extent, and subject to the same terms and conditions, as health benefits are available to dependents of unit members under this Agreement. This coverage is conditioned upon the domestic partner meeting all the criteria of California Family Code Section 297, and upon the unit member presenting the District with proof that a valid declaration of domestic partnership has been filed according to the above Family Code Section or with any local agency registering domestic partnerships.
- H. In Lieu Of Benefits
 - 1. Unit members who work full time (1.0 FTE) may elect compensation in lieu of medical benefits once per year during the Open Enrollment Period.
 - 2. Unit members previously electing in lieu benefits may surrender in lieu benefits and claim the standard medical benefits package during the Open Enrollment Period each year or following the loss of their existing medical coverage
 - 3. Unit members selecting compensation in lieu of medical benefits will provide the District with documentation or an affidavit showing they are fully insured for medical benefits.
 - 4. Unit members electing compensation in lieu of medical benefits will receive \$2,625 per year paid in 11 or 12 equal monthly installments.
 - 5. Unit members electing compensation in lieu of medical benefits must participate in the Dental Insurance Program for unit members paid by the District as a benefit separate from any compensation in lieu of benefits. The District will also pay for eligible family members separate from any compensation in lieu of benefits.
 - 6. Unit members electing compensation in lieu of benefits may enroll in the District Vision Plan. The Vision Plan's premium will be deducted from the compensation in lieu of benefits.
 - 7. Spouses or domestic partners who are also full time District unit members are not eligible for in lieu of benefits.
 - 8. This in lieu provision shall be effective to the extent it comports with obligations and provisions of the CalPERS Employee Health Benefit Program.
 - 9. This in lieu of benefits option will cease if the District selects a new medical benefits carrier requiring universal participation, or if state or

federal law requires universal participation of all full time District employees.

X. RETIREE BENEFITS

- A. To be eligible for District contribution towards health insurance, retired classified employees of the Menlo Park City School District must meet the following conditions:
 - 1. Employees must be employed by the District before April 1, 2007
 - 2. For employees retiring at age sixty (60) or older: Must have been employed by a school district for a period of ten (10) years immediately prior to retirement, the last five (5) of which must have been with this District.
 - 3. For unit members retiring at age sixty (60) or younger: Must have been employed by a school district for a period of ten (10) years immediately prior to retirement, the last five (5) of which must have been with this District, and must have accumulated one (1) additional year in this District for each year under sixty (60) at the time of retirement up to a total of ten (10) additional years.
- B. Leave of absence will not be construed as a break in service.
- C. The retired employee must be actually drawing retirement benefits from the Public Employees' Retirement System.
- D. Optical care, if offered for unit members, is excluded from coverage for retirees over 65.
- E. Unit members employed by the District after April 1, 2007, will only be eligible to receive the retiree medical benefit described in Article X.A if they have been both employed by the District for twenty (20) years and retire through the Public Employee Retirement System on or after their 60th birthday.
- F. Unit members retiring because of disability are eligible under this policy as long as they meet all other requirements as delineated above.
- G. Retiree Benefits
 - 1. The District will pay the basic monthly minimum payment required by Government Code Section 22892 directly to CalPERS for each eligible retiree for medical insurance. In addition, the District will pay an amount sufficient to cover the employee-only medical premiums which, when added to the basic monthly minimum payment to PERS and to the Dental Premium, will not exceed three hundred forty one dollars (\$341) per month prorated for unit members who worked less than eight hours per day at the time of retirement.
 - 2. Retirees enrolled in the District's group plans will NOT be eligible at a later date to enroll in a Conversion Plan or an Individual Enrollment Plan. Should the District elect another health plan carrier, continuation of coverage for retirees would be the responsibility of the new carrier.
 - 3. Because PERS requires that the CalPERS premiums be deducted from the retiree's PERS retirement check, the District will provide, twice

annually (April & October), a non-taxable reimbursement up to the amount designated above.

4. Upon the retiree's election, the District will pay for retiree-only dental benefits for a period of five (5) years following retirement as part of the overall District contribution to retiree health benefits. After five (5) years the retiree may continue the dental coverage at their own expense with no District contributions to said dental premiums. The District may charge up to a five (5) percent fee on the dental premium to cover its administrative costs. The retiree must meet the District's dental health care plan provider requirements for continued coverage.
5. For retirees who were hired before April 1, 2007, meet requirements in Article X.A, and who retire after July 1, 2016, the benefits will adjust as follows:
 - a) The District will pay the basic monthly minimum payment required by Government Code Section 22892 directly to CalPERS for each eligible retiree for medical insurance. In addition, the District will pay an amount sufficient to cover the employee-only medical premiums which, when added to the basic monthly minimum payment to PERS, will not exceed three hundred twenty-five dollars (\$325) per month prorated for unit members who worked less than eight hours per day at the time of retirement.
 - b) The District will pay for retiree only dental benefits for a period of five (5) years following retirement. For unit members that worked less than eight hours per day at the time of retirement the District contribution will be prorated. After five (5) years the retiree may continue the dental coverage at their own expense with no District contribution to said dental premiums. The District may charge up to a 5% fee on the dental premium to cover its administrative cost. Retiree must meet the District's dental health plan provider requirements for continued coverage.

H. Retiree Over 65 Years of Age with LifeTime Benefits

1. When the retiree is eligible for Medicare, the retiree will transfer to a Medicare supplement plan and have the premium deducted from retirement income by the retirement system. The premium for dependents must be deducted from retirement income by the retirement service or be paid by the retiree directly to the insurance company. The District may not accept cash from the retiree to cover insurance for dependents after deductions begin by the retirement service, nor will the District be responsible for negotiating coverage for dependents. The District will also pay the cost of Part B Medicare for those retirees who qualify for Part A Medicare. Total payments shall not exceed the premium the District pays for a regular unit member. Retirees are not eligible for District-paid dental insurance except as stated in Section G. Twice each year (April &

October) the District will reimburse the retiree for the costs of Part B Medicare payments and health insurance premiums.

I. Retirement Incentive

1. For unit members employed before July 1, 2005, the District shall provide a retirement incentive of \$5,000.00 per unit member payable upon retirement, prorated for less than full-time employment, which shall be defined as eight (8) hours per day for ten (10) months. In order to be eligible, the retiring unit member must have ten (10) years of District service and must provide an irrevocable intent to retire at least three (3) calendar months in advance of the retirement date. The above amount will be increased to \$7,000.00 for any unit member retiring with eighteen (18) or more years of District service.

All vacancies shall be posted by the District for not less than five (5) working days at all work locations prior to being filled. A copy of the notice of a vacancy shall be provided to the CSEA. Any unit member may apply for a vacant position by filing a written notice with the District Office. The

internal applicants will be reviewed, and the internal review process will be completed before the district interviews external candidates. If two or more qualified candidates apply, the district shall conduct internal interviews. If none of the internal candidates satisfy the requirements of the posting, the district may then interview external candidates.

2. If an I.R.S. ruling raises the approved rate to a rate higher than the rate specified in this Section, regular unit members will be reimbursed at the higher rate.

E. Security Cameras

1. The primary intent of security cameras is for safety purposes and to deter criminal activity. The District will not use video recordings to determine work performance unless said work performance impacts the safety of staff, students or visitors.
2. When the District has installed security cameras, signs will be posted to notify students, unit members, and visitors that recordings may occur at the District.
3. No security cameras will be installed where there is a reasonable expectation of privacy, in accordance with applicable law, such as bathrooms and locker rooms.
4. Security camera video recordings shall not be stored for more than 60 days. If recordings are being used in disciplinary proceedings, CSEA shall be notified in advance and shall have the right to review the recordings.  - 2. A promotional probationary unit member shall be evaluated at least twice during the six (6) month promotional probationary period.

improvement" or "unsatisfactory" items in 85 working days to correct the deficiencies in performance. At the end of 85 working days if a unit member continues to be "needs improvement" or "unsatisfactory" in performance, the District will pursue its rights under Article XIX Employee Discipline. 3. The immediate supervisor shall present the performance evaluation report to the unit member and discuss it with the unit member. If the immediate supervisor is unavailable or if the unit member is no longer being supervised by the person preparing the evaluation, the Superintendent shall designate an administrator or supervisor to review and discuss the evaluation with the unit member.
4. The evaluator and the unit member shall sign the evaluation form, and the unit member shall be given a signed copy. The unit member's signature indicates only that the unit member received the evaluation and does not indicate that the unit member agrees with the evaluation.

D. Personnel File

1. The evaluation form shall be filed in the unit member's personnel file. The unit member may prepare a written response to the evaluation, which shall be attached to the evaluation form in the unit member's personnel file.

Progressive steps shall under normal circumstances include Counseling, Verbal Warnings, Written Warnings, and Written Reprimands before the initiation of personnel action against the unit member. Each informal step shall detail specific acts or omissions and specific actions, clear attainable goals and timelines, if applicable, required of the unit member to correct the concern.

- 2. In all cases involving a personnel action, the person initiating the action shall file a written recommendation of personnel action with the Board. 1. Upon receipt of the written notice provided under Section F and prior to the imposition of discipline, the bargaining unit member shall have five working days to request an opportunity to meet with the Superintendent or designee who shall be impartial and have had no involvement in investigating the acts or omissions giving rise to the personnel action. The unit member has the right to representation by the Union at such hearing. The unit member may waive in writing the pre-disciplinary hearing within three days of the hearing date. I. Right to Appeal

1. Within five (5) working days after receiving the recommendation of personnel action, or if the unit member has requested a Skelly hearing, within five (5) working days after receiving the results of the Skelly hearing, the unit member may appeal in writing to the office of the Superintendent or designee during normal work hours.
2. If the unit member fails to file a notice of appeal within the time specified in these rules, the unit member shall be deemed to have waived the right to appeal, and the Board may order the recommended personnel action into effect immediately.

J. Amended/Supplemental Changes

1. At any time before a unit member's appeal is finally submitted to the Board for decision, the District may, with the Board's consent, serve on the unit member and file with the Board an amended or supplemental recommendation of personnel action. If the amended or supplemental

recommendation presents new causes or allegations, the unit member shall be afforded a reasonable opportunity to prepare a defense and request a new Skelly hearing.

K. Hearing Procedures

1. The hearing shall be held at the earliest convenient date. All parties shall be notified of the time and place of the hearing. The unit member shall be entitled to appear personally, produce evidence, and have counsel or representation at the unit member's expense. The unit member shall be entitled to a public hearing if they demand it when the Board is hearing the appeal by giving twenty-four (24) written notice prior to the hearing. The burden of proof is on the District to present substantial evidence in support of its action. The Board shall not be bound by the formal rules of evidence but relevant evidence upon which reasonable persons are accustomed to rely in the conduct of serious affairs. Hearsay evidence shall not be the sole evidence supporting any factual finding.
2. In the event that the Board determines that the nature of the appeal and the circumstances and details of the case is beyond its capacity and available time the Board, at its discretion, and with the concurrence of the unit member, may refer the hearing to Arbitration. Arbitration will follow the provisions of Section M below.
3. If the Board hears the appeal, the Board shall affirm, modify or revoke the recommended personnel action but not change the nature of the personnel action.
4. The Board may consider the records of any prior personnel action proceedings against the unit member in which a personnel action was ultimately sustained and any records that were contained in the unit member's personnel files and introduced into evidence at the hearing.

L. Hearing Decision

1. The decision of the Board shall be in writing and shall contain findings of fact and the personnel action approved, if any. A copy of the decision shall be delivered to the unit member personally or by registered mail. The decision of the Board shall be final.

M. Hearing Before a Hearing Officer

1. At the option of the unit member, in lieu of a hearing before the board of trustees, pending approval from CSEA, the unit member may be heard before a hearing officer.
2. A list of five (5) suggested hearing officers shall be requested from the State of California Conciliation Service. If the parties are unable to agree upon a hearing officer, the parties shall each strike from the State of California Conciliation Service list alternately one (1) name after determining the first strike by lot, and the final name shall be that of the hearing officer.
3. The hearing officer's decision shall be in writing and shall set forth the hearing officer's decision to affirm, modify or revoke the recommended

personnel action but not change the nature of the personnel action. The decision of the hearing officer shall be submitted to the District and CSEA and shall be final and binding on both parties.

4. All costs for the services of the hearing officer, including but not limited to per diem expenses, travel and subsistence expenses, and the cost of any hearing room, shall be borne equally by the parties. All other costs shall be borne by the party incurring them unless the matter was referred by the board of trustees and not requested by the unit member, in which case, the District shall bear the full cost of the hearing officer.
5. If a party requests a transcript of the proceedings, that party shall bear the full costs for that transcript. If the parties mutually request a transcript, the total cost of the transcript shall be divided equally between the District and CSEA.

XX. PROFESSIONAL DEVELOPMENT

- A. The District is responsible to provide all unit members an equivalent of two days of professional development (PD) for training that is relevant to the unit members job duties and classification.
- B. In addition to the provision in Section A above, the District shall allocate at least \$15,000 (fifteen thousand) annually for the professional development of classified bargaining unit members. An individual unit member may access this fund to participate in PD opportunities that are eligible under the terms determined by a Professional Development Committee as outlined in Section C below.
- C. The District and CSEA agree to the formation of a Professional Development Committee to meet at least annually at the start of the school year, beginning in the 2022-2023 year. The Committee shall be composed of two (2) representatives appointed by CSEA leadership and two (2) representatives appointed by the District and shall be facilitated by the Director of Human Resources. The Committee will be responsible for managing a fund for professional development with the following goals:
 1. Publish a list of available, relevant professional development opportunities for all members by classification.
 2. Determine the process whereby members can apply for relevant professional development. The process shall provide fair and equitable access to unit members.
 3. Review and approve PD requests throughout the year as needed.
 4. Work with the various departments to get communication out to members about professional development opportunities.
 5. Collect data and feedback about participation in this process, and to publish a report at the end of the school year.
- D. This Article shall be opened as part of the 2024-2025 negotiations. The parties commit to having representatives meet at least four (4) times in the 2024-2025 school year with the goal of producing recommended contract language for the bargaining teams to consider no later than December 31, 2024. The participants shall include at least two (2) representatives from the District and at least two (2)

from CSEA. The recommendation should include a plan to allow unit members to earn educational credits to enhance their skills and earnings.

XXI. SAVINGS CLAUSE

- A. If any Article, section, or clause of this Agreement is declared illegal by a court of competent jurisdiction or by legislative act, then that Article, section, or clause shall be deleted from this Agreement to the extent that it violates the law. The remaining Articles, sections, and clauses shall remain in full force and effect.

XXII. SENIORITY

- A. Seniority shall be determined by date of hire.
- B. The District shall maintain a seniority list on the District website and update the list on at least a quarterly basis.

XXIII. GENERAL PROVISIONS

- A. This Agreement represents and incorporates the final and complete understanding by the parties of all bargaining issues which were, or could have been, the subject of negotiations. Except for reopening according to Article XXIII.B, neither party shall be required to negotiate with respect to any bargainable issues during the life of this contract.
- B. All or any portion of this contract may be renegotiated by mutual agreement of the parties. For each year of the term of the Contract, both CSEA and the District may reopen negotiations on three (3) Articles in addition to Salary and Benefits.

XXIV. RECLASSIFICATION

A. Definitions

- 1. Reclassification shall mean the redefinition of a position and/or classification to account for changes in the job. These changes may include technological changes, changes in duties or work that alter the nature of the job and require greater skill, effort, and ability.
- 2. Changing conditions may warrant reclassification of position(s) and/or classification. This Section is intended to provide an orderly process for affecting justifiable reclassifications.

B. Procedures

- 1. No reclassification using this procedure may take place prior to November 1. However by mutual agreement of CSEA and District, classifications may be reviewed if job duties and responsibilities are significantly changed.
- 2. Either party to this Agreement may propose a reclassification for any position.
- 3. When a class or position is reclassified, no incumbent serving the affected classification will be reduced in salary.
- 4. When a position (or positions) is reclassified, incumbent(s) in the position(s) shall be reallocated to the higher class.

C. Criteria for Reclassification

- 1. Based on a significant change in duties, reclassification of an individual position, or group within a current classification to: A higher existing classification, or a new classification.

2. Based on a significant change in duties, a reclassification of an entire classification: A higher existing classification, or a new classification.
3. Based on the normal evolution of job duties, an updating of the job description(s), and/or job title(s).
4. Designation of job families and the realignment of the classifications within the job families.
5. Definition of the process for range changes in a salary based upon: Realignment within the job family, or wage comparability study, or reclassification of an individual position, a group within a classification, or an entire classification to a new classification, or reclassification of an individual position, a group within a classification, or an entire classification to a higher existing classification.

D. Process

1. Except by mutual agreement by the District and CSEA, requests for permanent reclassification shall be made one time per year. All requests shall be submitted to the Director of Human Resources by November 1.
 - a) Level I: Unit members shall submit reclassification requests on forms obtained from the Human Resource Office. The unit member shall describe the tasks which significantly differ from the present job description and submit his/her request to his/her supervisor by October 20 who shall review the request and add input regarding job responsibilities. The supervisor shall submit the reclassification to the Director of Human Resources by November 1 and provide the unit member a copy of the signed request form.
 - b) Level II: Within thirty days after the November 1 deadline, the joint Reclassification Committee consisting of two District representatives, and two CSEA representatives appointed by CSEA, plus the Human Resource Officer who will vote only in case of a tie, shall meet to review requests. The CSEA Labor Relations Representative will be a nonvoting member of the Committee. Each unit member that has applied for a reclassification shall be provided with an opportunity to orally present their request to the committee, prior to the committee's consideration of the unit member's request. By January 15 of each year, the Human Resource Officer shall inform the unit member in writing of the decision of the Committee and their appeal rights, with a copy to the Chapter President and Labor Relations Representative. If the request is disapproved, the unit member may appeal in writing. The appeal must be submitted to the Human Resource Officer by the last working day of January. Upon request and at the discretion of the committee, the rehearing may occur in person and will take place prior to the last working day in February.

- c) Level III: The report of the Committee shall be submitted in writing to the Superintendent for their consideration. The report shall include an approval, denial, or modification of the unit member's submission for reclassification.
- d) Should the Superintendent's recommendation be to create a new classification because no existing classification contains the duties/qualifications of a current classification and/or if the Superintendent's recommendation impacts any mandatory subjects of bargaining not already covered by this Agreement including title changes, job description changes, reassignment of unit members to new classifications or existing classifications, assignment of new duties to existing classifications, transfer or duties between classifications, grouping of unit members into job families, and/or assignment of salary ranges to new, existing, or reclassified positions, the Human Resource Officer shall notify the CSEA President so that the parties may exercise the right to negotiate.
- e) The decision impact of the new classification and all mandatory subjects of bargaining shall be completed by the end of March.
- f) The Superintendent shall make their recommendations to the Governing Board at its first (1st) regular meeting in April. Approved reclassification requests shall be retroactive to November 1.
- g) Should the District act on a recommendation by eliminating additional duties, the matter shall be processed as working out of class pursuant to Article XIV. Up to one year previous to the date of filing or to the date the unit member can furnish proof that the unit member first began and continued to perform duties out of classification whichever is earlier, shall count as the authorization date for out of class pay.

XXV. LAYOFFS, REDUCTIONS, AND REEMPLOYMENT RIGHTS

A. Reason for Layoff

- 1. Layoff shall occur only for lack of work or lack of funds as authorized by Education Code Section 45117. Reductions in working hours/days/months in lieu of layoff and reductions in class or pay grade in lieu of layoff are mandatory subjects of bargaining.

B. Notice of Layoff

- 1. The District shall notify all unit members subject to layoff and CSEA of the layoff in writing no later than March 15. Such notice shall inform unit members of their bumping rights, if any, reemployment rights, and their right to request a hearing pursuant to Education Code Section 45117. The District shall additionally notify CSEA in writing of the proposed layoff(s) not less than 15 days prior to the notice going to unit members. The District and CSEA will utilize this period to review seniority lists and work

through bumping progressions in accordance with Section E (Bumping Rights) below with the intent to give formal layoff notice to only those unit members at the bottom of a bumping chain within a classification.

a) Specially Funded Positions: Notwithstanding the requirements of described above, when classified positions must be eliminated as a result of the expiration of a specially funded program, the unit members to be laid off shall be given written notice in accordance with Education Code Section 45117(g) not less than 60 days prior to the effective date of their layoff informing them of their layoff date and their displacement rights, if any, and reemployment rights.

(1) Upon written request by CSEA with at least 30 days notice to the District, the District shall provide CSEA with a list of any classified bargaining unit positions that are specially funded and, as such, would not receive a March 15th layoff notice if they are eliminated in accordance with Education Code Section 45117.

(2) Additionally, within thirty days, the District shall provide CSEA with notice of any change in funding source of classified positions and/or the hiring of a new classified unit member whose position is in a specially funded program.

C. Order of Layoff

1. A layoff shall occur within a class of positions. The order of layoff within a class shall be determined by Seniority as defined in Article XXII.
2. The unit member who has been employed the shortest amount of time within the class, and who does not have plus time in higher classes, shall be laid off first. Years of service in higher classes shall be added to the years of service in the lower class for purposes of this clause.
 - a) For purposes of this Section, higher class means a class with the same or a higher salary range placement.
3. Seniority earned in a class prior to a reclassification or upgrade is not lost. Even if the class has been split into two or more classes, and even if the class title has been changed and/or the salary range placement amended, all seniority accrued in the former class shall count in all of the resulting classes and shall be so recorded on the seniority list.
 - a) The only exception to this rule is if the unit member no longer possesses the basic qualifications for the reclassified class(es), in which case prior seniority is lost for that class or classes.

D. Vacant Position

1. Any vacant authorized position in a class shall be deemed to be the most junior unit member in the class and shall be bumped into without advertising the vacancy. However, an unit member may not bump into a vacant position in the original class with a greater number of non-overtime hours, or into a vacant position in a lower class (assuming prior service

therein) with a greater number of hours if it would result in an increase in wages taking into account the lower rate of pay.

E. Bumping Rights

1. An unit member to be laid off from their position may elect to bump the least senior unit member in the class who works the same number of non-overtime daily and annual hours.
2. If there is no such unit member in the class junior to the laid off unit member, the unit member to be laid off may bump the least senior unit member in the class working fewer, but most nearly equal to the laid off unit member's daily and annual hours.
3. If there is no such person in the class junior to the laid off unit member, the unit member may bump into any lower class in which the unit member has accrued seniority through prior regular service.
4. Bumping rights in other classes shall follow the pattern described above.
5. The unit member shall have the right to continue bumping into other classes where they have accrued seniority in order to avoid separation from employment, until all options described above are exhausted.
6. Unit members who are bumped from their positions by more senior unit members are free to exercise their bumping rights in order of seniority.
7. A laid off unit member may not bump more than one other unit member, or otherwise combine positions during the bumping process. However, if a unit member is laid off or bumped from one or more than one position, bumping rights may be exercised for each position.
8. Unit members who exercise their bumping rights retain full reemployment rights to the class and daily/annual hours held at the time of layoff.
9. Unit members who decline to exercise bumping rights likewise retain their full reemployment rights.

F. Layoff, Planning and Meetings

1. Prior to the issuance of layoff notices, the District shall set up a Layoff Planning Meeting with CSEA leadership for the purpose of discussing and planning the layoff process. The District and CSEA will utilize this period to review seniority lists and work through bumping progressions in accordance with Section E (Bumping Rights) above with the intent to give formal layoff notice to only those unit members at the bottom of a bumping chain within a classification.
2. Following the issuance of the layoff notices as per Section B (Notice of Layoffs) above, an Effects of Layoff meeting shall be held at which all persons likely to be impacted by the layoffs, or by the bumping actions of other unit members, are directed to attend.
3. At this meeting the District and CSEA shall explain seniority rights and the layoff and bumping process to the unit members.
4. By the end of this meeting, unit members who are to be laid off shall submit in writing their intention to exercise or decline to exercise their bumping rights.

5. By the end of this meeting, unit members bumped from their positions by more senior unit members shall likewise submit in writing their intention to exercise or decline to exercise their bumping rights. This process shall be carried out until all decisions are made. From these decisions derive the future placement of unit members, and a list of unit members to receive final layoff notices which shall include all unit members who have exercised bumping rights into other positions. The unit member's written decision whether or not to exercise bumping rights shall be irrevocable.
 6. A reemployment list shall also be prepared in a timely manner following this meeting which indicates each laid off unit member's full employment status by class placement and daily/annual hours.
- G. Salary When Bumping
1. A unit member who bumps into a lower class retains the salary step placement and longevity benefits the unit member enjoyed in the higher class.
- H. Equal Seniority
1. If two or more unit members subject to layoff possess equal class seniority, precedence shall be determined by the earliest first day of paid service as a regular classified unit member with the District. If seniority is still equal, precedence shall be determined by lot.
- I. Reemployment Rights
1. Laid off unit members are eligible for reemployment in the class and to the hours from which they were laid off for a period of thirty-nine months and shall be reemployed in the reverse order of layoff. Their reemployment shall take precedence over any other regular classified employment, except for lateral transfer applicants.
 2. Acceptance, or refusal to accept, a reemployment offer to a position with lower class status or shorter hours than that from which laid off, shall not diminish a unit member's reemployment rights. If a unit member declines an offer of reemployment to a position equal or greater in class and hours than that from which originally laid off, the unit member shall be permanently dropped from any reemployment list. Laid off unit members shall have the right to apply for other positions within the District as if they were in active status.
 3. Unit members who take voluntary demotions or voluntary reductions in regular, non-overtime hours of employment in lieu of layoff shall, at the unit member's option, be returned to positions in their former classes and to positions with increased hours as positions become available, and with no time limit, except that they shall be ranked on a reemployment list in accordance with their seniority.
 4. Unit members who resign from the District shall not be entitled to reemployment rights.

DURATION OF AGREEMENT

The term of this Agreement shall be from July 1, 2023, through June 30, 2026.

In the event either party gives written notice of the desire to amend or modify this Agreement, the parties shall meet not later than forty-five (45) days prior to the anniversary date for the purpose of negotiating the desired amendments or modifications.
