

WELCOME

JULIE MORRIS

Webb Bridge Middle School

PRINCIPAL

My name is Julie Morris, and I am overjoyed to be named the new principal of Webb Bridge Middle School. As a career educator, I obtained a Bachelor of Science in Early Childhood Education from Florida State University and later attended Kennesaw State University to earn my Master of Education in Educational Leadership. Additionally, I have Gifted and ESOL teaching endorsements. I joined Fulton County Schools as a teacher in 2001 and have since held the positions of Curriculum Support Teacher, Assistant Principal, and for the past nine years, principal of Lake Windward Elementary School.

Being passionate about providing a well-rounded, engaging education for the children whom I serve, I believe students learn best when instruction is hands-on, appropriately challenging, and provided in a safe, supportive environment. As a part of the Lake Windward Elementary School community for the past 19 years, we have celebrated many successes related to climate, culture, and high academic achievement and growth. Under my leadership, Lake Windward was awarded the National Blue Ribbon School of Excellence Award in 2018.

My favorite thing about being a principal is creating and maintaining positive relationships with the students, staff, and parents in the community. It is my belief that collaborative and trusting relationships with all stakeholders are the catalysts which allow exciting work and progress to be made.

As the principal of a WBMS feeder elementary school, I have had the pleasure of collaborating with Principal Williams over the years. It is with admiration and respect that I have observed the tremendous work that Principal Williams has led to create the amazing climate and culture as well as high academic achievement in place at Webb Bridge Middle School.

In addition to being a proud principal, I am married to my husband John and am mom to my two very active boys, Carson, a sixth grader, and Preston, a senior in high school.

It is an absolute honor and privilege to be selected as the new Webb Bridge Middle School principal. I cannot wait to be a part of the “Webb Way” and continue the excellence in place at this remarkable school! Go Jaguars!
