

Healthy School Meals for All

As we move into the holidays and planning for the next school year, we know there are many questions regarding the passage of the [Healthy School Meals for All program](#) (Proposition FF) in Colorado.

The **Ellicott School District** is proud to be offering Healthy school meal for all again this year.

- **There are no changes to food service operations for the remainder of School Year 2024-2025**
 - Families should continue to complete school meal income applications as needed for the this school year. www.elicottschools.org and go to ez app
 - Meals will continue to be free for students
- **Ellicott School District plans to opt in for the Healthy School Meals for All program in School Year 2024-2025**
 - This school year, all students will have access to reimbursable meals at their school at no cost.
 - A la carte purchases will continue to be offered for a fee. These purchases will not be charged to the students account. They will need to have cash to purchase the al carte items. We anticipate an increase in participation next school year. To ensure meal service runs efficiently, our focus is to:
 - Ensure our kitchen sites are adequately staffed
 - Make sure lunch lines move smoothly
 - Examine lunch times so all students have enough time to eat

For questions, reach out to. Walter Chisman Ellicott Food Service director at walterchisman@esd22.org or 719-683-2700 ext. 2209

Adult meal prices breakfast \$ 3.00 and Lunch 4.25 w/o milk \$ 4.75 with milk

Thank you Walter
