

Dual Credit Partnership Agreement

August 1, 2024 – July 31, 2025

I. Parties

This Dual Credit Partnership Agreement ("Agreement") is entered into between McLennan Community College ("MCC") and La Vega Independent School District ("ISD") and is designed to allow high school students from the ISD to earn dual high school and college credit by enrolling in MCC credit courses.

II. Purpose and Background

In accordance with the rules and regulations of the Texas Higher Education Coordinating Board (THECB), MCC offers regular college credit courses in Core Curriculum, Foreign Language, and Career and Technology for dual credit high school students. If the ISD approves these college courses for dual credit, high school students meeting MCC admission requirements can enroll in these courses and receive college and high school credit simultaneously.

In order to ensure the quality of dual credit courses and to facilitate communications and understanding between the ISD and MCC, the following provisions are agreed to by MCC and the ISD where dual credit courses are offered.

III. Statewide Goals for Dual Credit

Pursuant to Texas House Bill 1638 (85th Legislature, 2017), MCC and the ISD set forth the following goals for dual credit programs in Texas, as prescribed by the Texas Higher Education Coordinating Board (THECB) and the Texas Education Agency (TEA).

1. GOAL 1: Create collaborative outreach efforts.
 - a. The MCC dual credit program will collaborate with the ISD to provide information sessions for parents, students, and high school counselors addressing the potential benefits, risks, and costs of dual credit.
 - b. MCC will provide online information regarding the dual credit program, including contact information, eligibility requirements, the enrollment process, cost data, and potential benefits/risks of dual credit coursework.
 - c. MCC recruiters will collaborate with the ISD to provide additional assistance to students and families seeking information or assistance with enrolling at MCC.
2. GOAL 2: Improve transition to and acceleration through postsecondary education.
 - a. The MCC dual credit program requires all new dual credit students to complete an online orientation to facilitate the transition to college coursework.
 - b. The dual credit program will collaborate with the ISD to provide in-person or video conference orientation sessions upon request.
 - c. The program has identified a Transfer Block of courses that transfer well to Texas public colleges to encourage selection of courses that will apply to a four-year degree.

- d. Dual credit students will be advised by MCC to enroll only in courses applicable to their selected degree plan.
3. GOAL 3: Provide college advising and student support services to promote success.
 - a. The MCC dual credit program requires all students who select courses outside of the Transfer Block, who plan to attend a private or out-of-state institution, or who have goals other than an AA, AS, or bachelor's degree to meet with a college transfer advisor each semester prior to registration.
 - b. All dual credit students will have access to drop-in college advising via regularly scheduled Zoom sessions, email, or by visiting the Dual Credit offices located on the first floor of the Michaelis Academic Center.
 - c. All support services at MCC are available to dual credit students. Note that the College provides online and in-person tutoring, library instruction, and success coaching to promote student success.
 - d. MCC and the ISD will collaborate to encourage dual credit students to make use of support services available at the College.
 4. GOAL 4: Ensure quality and rigor of dual credit courses.
 - a. MCC is committed to quality and rigor in its dual credit courses. As required by the THECB and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), the quality and rigor of dual credit courses shall be the same as courses taught at the college campus.
 - b. Dual credit faculty, including faculty hired from the ISD, will meet the credentialing standards set by the THECB and SACSCOC.
 - c. Oversight of dual credit faculty and course content will occur according to the same standards and processes employed on the MCC campus.
 5. TOOLS: Identify tools to assist students and families with selecting endorsements and dual credit courses as well as navigating the college process.
 - a. MCC will provide degree guides through the online [Student Planning](#) program as well as dual credit specific guides via the [High School Programs website](#).
 - b. The THECB provides the following tools.
 - 1) [College for All Texans](#)
 - 2) [Exploring College Options](#)
 - c. The TEA has made the following tools available to the public.
 - 1) [Graduation Toolkit](#)
 - 2) [CTE Pathways](#)
 - d. The Texas Workforce Commission provides tools to assist with career selection and education planning at <https://twc.texas.gov/students>.

Metrics associated with the state dual credit goals, such as students' future college enrollment and success, will be tracked by MCC's Office of Institutional Research and Effectiveness.

IV. Eligible Courses

1. Courses approved for MCC Dual Credit for a high school student must be foreign language, in the MCC core curriculum, in a state-approved Field of Study curriculum, in

V. **Student Eligibility**

1. High school students must meet all eligibility requirements set forth in the THECB Rules.
2. Eligible students may first enroll in dual credit courses in the fall semester of grade nine (9).
3. Eligibility for High School Pathways courses/programs ends six (6) weeks prior to high school graduation. High school seniors who elect to enroll in a minimester course immediately prior to high school graduation will enroll in the course using the process established for a non-dual credit student.
4. McLennan Community College requires that dual credit students:
 - a. have the written approval of the high school principal or counselor, parent or guardian, and a Dual Credit specialist at MCC; and
 - b. unless otherwise exempt, score a 351 or above on the reading section of the TSI Assessment or 945 on the TSI Assessment 2 ELAR multiple choice test or overall passing score on the TSI Assessment 2 ELAR section to qualify for academic courses and workforce courses contained in an AAS or workforce Level 2 certificate;
 - c. satisfy the prerequisites of the desired course and/or program, including college-ready scores on additional sections of the TSI Assessment relevant to the requested course or program.

MCC **recommends** high school students score 347 on the reading section of the TSI Assessment or 945 on the TSI Assessment 2 ELAR section before enrolling in workforce education dual credit courses contained in a Level 1 certificate program, or

a program leading to a credential of less than a Level 1 certificate.

5. All dual credit students must meet the testing and placement guidelines stipulated in the MCC catalog, the THECB rules, the Texas Education Code, and the Texas Administrative Code.

A high school student is eligible to enroll in academic dual credit courses or workforce dual credit courses contained in an AAS or Level 2 certificate if the student:

- a. Demonstrates college readiness by achieving the minimum passing standards under the provisions of the Texas Success Initiative (TSI); or
- b. demonstrates that he or she is exempt under the provisions of TSI.

A high school student is also eligible to enroll in dual credit courses (academic; workforce courses for AAS or Level 2 certificates) under the following conditions:

- a. Courses that require demonstration of TSI college readiness in reading and/or writing: if the student achieves score of 4000 on the English 2 STAAR EOC, an EBRW score of 460 on the PSAT/NMSQT, or an English score of 435 on the ACT-Aspire.

The Schedule Request must be on file at MCC at the time of registration. The Schedule Request is available through the MCC High School Pathways online enrollment portal.
8. High school students will complete the online High School Pathways Orientation prior to registration for the first dual credit course at MCC. As required by law, students will also complete Title IX training prior to registration for the second semester of coursework.
9. High school students taking MCC courses for dual credit will be treated as college students. It is expected that high school students taking MCC courses as dual credit will conduct themselves as college students. A collegiate classroom environment is expected. Controversial material may be addressed. The level of maturity of the high school student

should be one of the criteria considered by high school officials prior to approving individuals for enrollment.

10. Dual credit students with less than a 2.0 grade point average (GPA) in MCC courses after completion of six (6) credit hours will be suspended from the program. MCC enrollment may resume after completion of the high school diploma or upon approval by MCC of a dual credit suspension appeal.

4. In situations involving dual credit courses on a high school campus, schedule conflicts between the institutions, including ISD holidays and dates of state-mandated testing, will be resolved on a case-by-case basis, but in all instances the contact time for the college course will be maintained either by an additional course meeting or other solution acceptable to both MCC and the ISD.

IX. Faculty Selection, Supervision and Evaluation

1. As required by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), MCC controls all aspects of its educational programs. Each educational program for which academic credit is awarded is approved by the faculty and the administration. 2. In order to serve as an instructor of record at MCC, for freshman and sophomore level courses designed for transfer to a baccalaureate degree, faculty should have a minimum of a master's degree with at least 18 graduate hours in the discipline in which they are teaching. In appropriate areas, work experience, professional licensure, and certification are also considered. Degrees and graduate credit hours held by faculty members, whether full time or part-time, must have been earned at a U. S. regionally accredited institution. [SACSCOC, Principles of Accreditation, 3.7.1]
3. In order to serve as an instructor of record at MCC, for associate degree courses designed to prepare students specifically for employment in career and technical areas, instructors should have a minimum of three (3) years of experience in the field, appropriate certification or professional licensure, and educational background and credentials at the same level as or higher than the certificate or degree being awarded in the program. Faculty teaching courses for dual credit shall comply with MCC's standards of instruction and policies. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (e)(2)] [SACSCOC, Principles of Accreditation, 3.7.2]

When such evaluations include classroom observation, the ISD will provide access to the classroom in question to the appropriate MCC personnel. The MCC personnel will be expected to comply with the standard ISD visitor screening process.

MCC classroom observations of ISD faculty hired to teach dual credit courses at the high school are separate and distinct from observations made by the ISD for the purposes of district evaluation and employment. ISD observations will be conducted according to district policy with the understanding that 1) the college classroom should experience minimal disruption and 2) the course content, assessment methods, texts, and materials are approved by MCC and may not be altered at the discretion of the ISD.

6. The appropriate representatives of the MCC academic department will evaluate the performance of faculty teaching college courses offered as dual credit. Included in this evaluation will be a determination of how well the faculty member performs in achieving the desired learning outcomes. Additionally, the evaluation will include a review of performance on the items delineated in Section VI, item 9. The evaluation will be forwarded to the Vice President of Instruction for a decision regarding continued employment as an adjunct instructor for dual credit courses. In the event it is determined that a faculty member employed by the ISD will not be granted continued employment, the ISD will be informed in a timely manner. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (e)(2)] [SACSCOC, Principles of Accreditation, 3.7.2]

Detailed records should be saved for one (1) calendar year following the end of the course. If employment with MCC ends, records for the previous year should be submitted to the appropriate Division Chair.
- m. Maintain a Brightspace course shell for each section taught, to include at minimum professor contact information, a course syllabus, grade book, and attendance records.

3. MCC and the partner ISD will cooperate in disciplinary issues to the extent possible. When not possible, each institution may impose separate student penalties according to its own policies and practices in matters related to discipline and academic integrity.

4. Disciplinary issues will be reported and addressed according to published college policy. ISD employees who are not also employed by MCC may contact the MCC Conduct Office or the High School Pathways office for guidance in reporting an issue.

If the student's absences will exceed 25% of course meetings, and if no satisfactory alternative can be found, the student will be withdrawn from the MCC course for disciplinary reasons.
7. In the event a conduct or academic-integrity-related visit to the high school is needed, the ISD will facilitate a meeting between the student(s) in question and the appropriate MCC personnel. The MCC personnel will be expected to comply with the standard ISD visitor screening process.

4. Instructors shall follow MCC grading policies for awarding college credit.
5. Faculty will participate in providing information for the assessment of student learning outcomes as required by the Southern Association of Colleges and Schools Commission on Colleges. This includes, but is not limited to, the submission of summary scores/data where such information is needed for evaluating departmental success and the submission of student work for secondary evaluation by the division to ensure that relevant learning outcomes are achieved in any given course.

XVI. Grade Reports

1. MCC will provide grade reports for dual credit students each semester following the conclusion of the final exam period.
2. Grades will be reported via an unofficial college transcript that provides information regarding courses, letter and numeric grades, and cumulative GPA.

3. A minimum of two progress reports will be provided by MCC during each fall and spring semester for dual credit students. Reports will be sent to the high school counselor or designated dual credit contact for the ISD.
 - a. Grade reports are compiled through an automated process that queries the Brightspace gradebook for each course. Grade reports may not be accurate for certain students/courses if course assignments are in process of being graded.
 - b. MCC recommends that high school counselors complete an academic wellness check with any student identified as having a low course grade to verify student status in a course.

XVII. Transfer of Courses

McLennan Community College is fully accredited by the SACSCOC, and basic academic, general education courses are readily transferable to other public institutions of higher education in Texas. However, since each college has its own policy regarding the transferability of courses, students are strongly advised to check with the college they plan to attend after high school, other than MCC, in order to determine the transferability of MCC courses.

CTE/Workforce education courses are not designed for transfer beyond the community college level. However, programs exist at some universities that allow these courses to be applied directly to baccalaureate degree requirements. Students are encouraged to check with prospective universities concerning programs such as the BAAS, BAT, and other similar programs.

XVIII. Academic Regulations

1. An MCC class minimum of fifteen (15) students is deemed necessary for a dual credit-only course section. Any exceptions will be approved by the Vice President of Instruction.
2. MCC courses offered as dual credit, regardless of where they are taught, follow the same college calendar, syllabus requirements, course outline, grading procedure, and other instructional and evaluative policies and procedures. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (g)(1)]
3. The Texas Education Code and SACSCOC do not allow for outside influence on college grading systems.
4. Letter grades are given in accordance with policies printed in the college catalog. Whenever possible, numerical grades will be provided to the high school counselor by the High School Pathways Office. Dual credit grades will be provided to the ISD each semester the week following final exams.
5. In the event of a grade dispute, the MCC policy for grade appeals will be followed. Please see the MCC catalog and/or the *Highlander Guide*.
6. Per MCC policy, students who do not participate in a course by the census date will be dropped from the course by the professor.

7. Dual credit students may withdraw from a course and receive a grade of "W" at any time during the semester on/prior to the MCC official withdrawal deadline specified in the College Calendar located in the class schedule or catalog. After the MCC official withdrawal deadline, dual credit students will follow published MCC policy in regards to withdrawing from courses and the grade recorded for such courses. It is the student's responsibility to officially withdraw from a course or verify that the instructor initiated the withdrawal procedure.

XIX. Attendance and Funding

1. Students enrolled in college credit courses will follow current MCC attendance policies. Attendance will be taken at MCC based on the published College Attendance Policy.
2. State funding for college courses offered for dual credit will be available to both the ISD and MCC based upon current funding rules of the State Board of Education and the Texas Higher Education Coordinating Board. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (i)(1)]

XX. Classroom Facilities and Technology

1. The ISD agrees to provide MCC faculty and dual credit high school students with the facilities and technology necessary to support a college learning environment.
2. The high school or ISD will ensure MCC faculty and the dual credit students have access on ISD devices and through ISD Internet service to MCC email, Brightspace, Zoom, WebAdvisor, the MCC Library, and other software programs approved by MCC for campus-wide use.
3. Dual credit students regularly need access to devices capable of running online exam monitoring programs and devices and/or Internet access unrestricted by the ISD internet filter. In addition, some courses may require audio or video recording capability. Such access is vital for academic integrity measures, Internet-based course materials, research, and course projects. Student resources are available on the MCC campus to fulfill such needs should the student choose to implement them.
4. MCC recommends the ISD assign students enrolled in online dual credit courses to a computer lab with a facilitator for at least one class period per day.

XXI. Data Sharing

Student records transferred between MCC and the ISD shall remain the sole property of the institution that created the records. Data that is transferred must be used consistent with the Family Educational Rights and Privacy Act (FERPA), HIPAA, and ISD and MCC policies and procedures for managing student education records and other confidential information.

The Parties expressly understand that MCC and the ISD are subject to the requirements of the Texas Public Information Act. In the event that any student records must be released pursuant to state or federal law, as determined by a court or administrative agency with jurisdiction over the matter, the Parties shall continue to treat a confidential any student records received or created

under this Agreement except to the extent specifically required by the court or administrative order. The Parties shall mark as “CONFIDENTIAL” all records that are released.

Additional details related to data sharing are specified in a separate, data sharing section of this agreement.

XXII. Indemnity and Liability

Should performance of any obligation (other than any payment obligations) created under this Agreement become illegal, impossible, impracticable, not reasonably possible, or if a Party is otherwise prevented or hindered from complying by a force majeure incident as described in this section or any other cause not enumerated herein but which is beyond the reasonable control of the Party whose performance is affected, then the performance of any such obligation is suspended during the period of, and only to the extent of, such prevention or hindrance, provided the affected Party provides reasonable notice as soon as practicable (within 45 days) following an event of force majeure and exercised all reasonable diligence to remove the cause of force majeure.

XXIV. Miscellaneous

1. Both parties agree to have a spirit of cooperation and to endeavor to provide a positive collegiate-level experience for those high school students with the maturity and academic preparation to be successful in college-level courses.
2. All policies and requirements set forth herein are subject to the THECB Rules, and, in the event of conflict, the THECB Rules govern and apply. [TAC 19, Part 1, Chapter 4,

Subchapter D, §4.85, (i)(2)]

3. This Agreement may only be modified in writing signed by both parties.
4. This Agreement will become effective on the date the last party executes it and will remain in effect until either party decides to terminate same. Either party may terminate this Agreement without cause by giving the other party notice in writing at least thirty (30) days before the beginning of the first day of the MCC semester or ISD semester, whichever is earlier.
5. Nothing herein shall waive the parties' immunity to suit or liability as established by applicable law.
6. The parties to this Agreement are not in a joint venture, partnership, or otherwise.
7. This Agreement shall be governed by the laws of Texas.
8. All parties to this Agreement agree to abide by and comply with all applicable laws regarding student privacy including, but not limited to, FERPA.
9. Notwithstanding anything to the contrary in this agreement, MCC acknowledges, stipulates and agrees that nothing in this agreement shall be construed as a waiver of any defenses available to the ISD under applicable law, including, without limitation, any statutory or governmental immunity from suit and liability.
10. MCC is aware and acknowledges that the ISD (a public entity) is subject to constitutional and statutory limitations on its ability to enter into certain terms and conditions of the agreement, which may include those terms and conditions relating to: liens on the school property; disclaimers and limitations of warranties; disclaimers and limitations of liability for damages; waivers, disclaimers, and limitations on legal rights, remedies, requirements, and processes; limitations of time in which to bring legal action; granting control of litigation or settlement to another party; liability for acts or omissions of third parties; payment of attorney's fees; dispute resolution; indemnities; and confidential information. Terms and conditions relating to these limitations will only be binding on the school to the extent permitted by the constitution and the laws of the state of Texas.
11. The signatures below indicate and represent that the governing boards of both MCC and ISD have approved this Agreement.

XXV. Other Agreements with the ISD

This agreement does not apply to MCC Continuing Education courses offered in the ISD, nor other agreements between MCC and the ISD. MCC and the ISD will have a separate and distinctive agreement for MCC Continuing Education courses offered to ISD students.

XXVI. Accommodations/Disabilities

Dual credit students who may require accommodations in order to have proper access to meet course requirements due to a documented disability should contact MCC Accommodations (Disability Services) as soon as possible. Students will be required to complete the registration form in WebAdvisor, submit documentation for the diagnosed disability, and meet with the Accommodations Coordinator. Faculty and the student will receive an email confirming all accommodations. Faculty may also review accommodations by accessing their roster via WebAdvisor, and students may review their accommodations under the My Accommodations Plan in WebAdvisor. Please note that instructors are not required to provide classroom accommodations to students until appropriate verification from Accommodations (Disability Services) has been provided. Note also that accommodations may differ between the high school and college, and only ADA accommodations authorized by the college will be implemented in dual credit courses. For additional information, please visit mclennan.edu/disability.

Students with questions or who require assistance with disabilities involving physical, classroom, or testing accommodations should contact:

Accommodations (Disability Services)

In the event a Title IX-related visit to the high school is needed, the ISD will facilitate a meeting between the student(s) in question and the appropriate MCC personnel. The MCC personnel will be expected to comply with the standard ISD visitor screening process.

XXVIII. Campus Assessment Response and Evaluation (C.A.R.E.)

The mission and purpose of C.A.R.E. at MCC is to promote the overall safety of its students and college community and will address situations in which a student may be of harm to self or others. C.A.R.E. will reach out to students of concern to assess the level of risk stratification in order to triage appropriately by: developing strategies for reducing various risk(s), implementing strategies, and monitoring the student's circumstances to ensure safety for both students and MCC campus as needed.

In the event that a dual credit student is referred to C.A.R.E. by an ISD employee due to concerns of safety, MCC C.A.R.E. shall:

- a) Contact the dual credit student to introduce program and explain the role of a C.A.R.E. Case Manager, what to expect (including privacy to the extent possible), and information about eligibility and length of services.

Early College High School Partnership Agreement

August 1, 2024 – July 31, 2025

CREATION OF THE ECHS

This document is executed as a Memorandum of Understanding (MOU) between McLennan County Junior College District, an Institute of Higher Education (herein referred to as MCC) , and the La Vega Independent School District (herein referred to as ISD), a local public school, which are both located in McLennan County, Texas. It has been developed for the support of the La Vega Early College High School (ECHS), established under the auspices of the Texas Education Agency Early College High School Designation pursuant to the authority granted in compliance with section 29.551-557 of the Texas Education Code.

WHEREAS, the purpose of this agreement is to outline the collaboration of the parties, as listed above, in support of the ECHS.

WHEREAS, the parties to this MOU desire an Early College High School and seek to provide for enrollment in college courses by the ECHS students in accordance with the Texas Higher Education Coordinating Board Rules, as codified under Title 19, Part 1, Chapter 4, Subchapter G of the Texas Administrative Code;

WHEREAS, both the ISD and MCC are willing and able to facilitate development of this program to benefit underserved students;

WHEREAS, MCC and the ISD are authorized by state law to establish and enter into agreements for Early College High School programs;

NOW, THEREFORE, the parties to this MOU mutually agree to the following:

Purpose

This school, serving grades 9-12, will offer traditionally underserved students (at-risk, economically disadvantaged students, students who are English language learners, and first generation college students) an opportunity to complete a high school diploma and earn up to 60 credit hours toward an Associate degree. While attending the ECHS, these students will develop a commitment to learning, a capacity for critical thinking, an understanding of their future role as community leaders, and the academic and technical skills necessary to achieve success in these and other arenas. Students graduating from the ECHS will enter post-secondary education and/or training with significant advanced standing.

Principles

- A. To establish a mutually beneficial partnership between MCC and the ISD that allows a flexible and creative response to the missions and organizational/fiscal needs of both institutions.
- B. To collaborate in the planning, implementation, and continuous improvement of Early College High School programs, including provision for faculty, staff, and administration.
- C. To provide rigorous college readiness and early college credit courses.
- ~~D.~~ To collaborate financially to address costs of both partners and assist each in obtaining necessary funds from local, state, federal and private/foundation sources to operate the program successfully and without student fees.

- E. To assure that classes and activities of the ECCHS on the MCC campus will occur with students integrated on an age-appropriate basis in accordance with college readiness guidelines established by the Texas Higher Education Coordinating Board (THECB) and the Texas Education Agency (TEA).
- F. To share use of facilities including classrooms, labs, offices and libraries in ways that reduce operating costs and promote collaboration of students, faculty, staff, and community members in program success.
- G. To promote student success through participation in college visits and in academic and admission procedures, including advisement, registration procedures, assessment and placement procedures, at the IHE. In addition, weekend, Saturday, or summer programs and activities, and extracurricular activities may be offered by the ISD, the IHE, or both. Students will gain access to the MCC facilities by way of their MCC student ID cards.
- H. To ensure the selection of students based on the intent of the program, a selection that will reflect the diversity of the student populations identified.

Term

Subject to the approval of the Program application by TEA, any additional approvals that may be required from the THECB, and annual approval as required by law or by TEA or THECB, the term of this MOU shall commence upon the date that the second of the Parties has signed this MOU (“Commencement Date”) and shall expire on July 31, 2024 (“Expiration Date”). Notwithstanding the foregoing, both Parties acknowledge and agree that a condition precedent to a Party’s signing the MOU is approval of the Agreement by that Party’s governing board. The time period between the Commencement Date and the Expiration Date shall be referred to as (“Initial Term”). Upon mutual written agreement by the Parties and approval as may be required by the Parties’ governing boards, TEA, and THECB, this MOU may be extended for a one-year renewal term (“Renewal Term”). As used in this MOU, the term (“Term”) shall mean the Initial Term, or such shorter period of time in the event of termination of this MOU at any time on notice by either party as set forth on page 7 below.

Governance

- A. The Early College High School established under this agreement will be governed by state and federal laws and regulations, as well as ISD, and college policies and requirements. The ISD shall apply to the Texas Education Agency for the establishment and continued approval of an ECCHS designation.
- B. A Steering Committee comprised of representatives of MCC and the ISD, and co-chaired by the MCC President and the ISD Superintendent, shall meet once per semester, or as mutually agreed to by both parties, to evaluate instructional and programmatic activities, identify problems, issues and challenges that arise, and make recommendations regarding more effective coordination and collaboration. The Steering Committee shall make reports, at least annually, to their respective boards.
- C. An Advisory Committee will be created for the purpose of establishing local, state, and national partnerships, to leverage opportunities for fund development, innovative projects, and overall sustainability. The advisory committee shall meet at least twice annually and shall consist of representatives from MCC, the ISD, and local and regional communities.

The Advisory committee and all other subcommittees established under this entity will report as needed and as requested to the Steering Committee.

- D. The ECHS Director/Principal (chief administrative officer of the Early College High School) will be appointed by the Superintendent of the ISD. The Director will be an employee of the ISD. The ISD will be responsible for payment of benefits, if any, to the Director, and the Director shall not be entitled to receive employee benefits from the MCC including, but not limited to, unemployment compensation, workers' compensation, health insurance and retirement benefits. The ISD assumes full responsibility for workers' compensation insurance and for payment of all federal, state and local taxes or contributions, including, but not limited to, unemployment insurance, Medicare and income taxes with respect to the Director. Should the school Director position become vacant and the need to appoint a new Director arise, following all ISD Human Resources Policies and Procedures, MCC will have the opportunity to be represented on the Director search committee and take part in the deliberations. The ISD agrees to assign the Director as soon as a qualified candidate is identified and hired. An adequate number of faculty for high school credit-only courses, counselor(s), clerical staff, and any other high school personnel that may be necessary, will be the responsibility of the ISD.
- E. This Agreement does not create a partnership or a joint venture between the parties hereto, nor does it authorize either party to serve as the legal representative or agent of the other. Neither party will have any right or authority to assume, create, or incur any liability or any obligation of any kind, expressed or implied, against or in the name of or on behalf of the other party.

Location

The Early College High School will offer courses at the ECHS campus for ISD students served in 9th and 10th grades. ECHS courses for 10th, 11th and 12th grades will be held at the MCC campus as appropriate. Approved locations and delivery models can include:

- ECHS site
- MCC campus
- Internet Delivery, including hybrid

Subchapter B, Chapter 39

The ECHS shall comply with State Board of Education rules regarding administration of the assessment instruments as required by Subchapter B, Chapter 39 and shall adopt a policy that requires a student's performance on an end-of-course assessment instrument for a course listed in this subsection in which the student is enrolled to account for 15 percent of the student's final grade for the course. In addition, the ECHS will administer the Texas Success Initiative (TSI) college placement exam to all incoming ninth (9th) graders to assess college readiness and to enable students to begin college courses based on their performance as soon as students are able and willing.

ECHS students will be required to participate in the appropriate end-of-course assessment instruments for secondary-level courses in Algebra I, biology, English I, English II, and United States history as specified in Texas Education Code 39.023. Early College High School students will be required to participate in Algebra I EOC in grade 8; English Language Arts I EOC and biology EOC in grade 9; and English Language Arts II EOC and United States History EOC in grade 10.

Grading Periods and Policies

ECHS students classified as freshmen and sophomores will be enrolled in coursework at the ECHS campus. ECHS students classified as juniors and seniors will receive course instruction at the MCC campus, as appropriate.

Grading periods and policies for high school courses will be governed by ISD high school policies and procedures. All grades will be recorded in a numerical format or other format approved by the ISD. ISD Grade Point Average (GPA) policies will remain in place for the ECHS students. ECHS course grades are weighted for GPA purposes as specified by the ISD. Currently, six-weeks grading period is in place. All grading practices and policies are defined in the ECHS Student and Parent Handbook.

Grading periods and policies for college credit courses will be under the authority of the College. MCC grading practices are on a semester rotation. The Course Catalog, syllabi and policies at MCC will determine the grading practices. Grades for college credit coursework will be provided to the ECHS each semester the week following final exams.

Eligible Courses

1. Courses approved for dual credit for an ECHS student must be applicable to a college certificate or degree.
2. This agreement does not apply to MCC Continuing Education courses.

Student Eligibility

1. Eligibility requirements specified in the dual credit portion of this agreement will apply unless specifically noted in this document.
2. Students enrolled in a Texas Education Agency-approved ECHS shall be permitted to enroll in EDUC 1300, ARTS 1301, MUSI 1306, and DRAM 1310 without passing TSIA2 ELAR scores or a 945 on the ELAR multiple choice section under the following conditions.
 - a. TSIA-2 scores must be on file at MCC.
 - b. The student must achieve these minimum scores on the TSIA2: CRC score 910-944, Diagnostic level 4-6, Essay 3-4.
 - c. Students enrolled in dual credit coursework under this rule may enroll in no more than one course per semester, and EDUC 1300 must be taken first.
 - d. The student must earn a C or better in the first course taken under this rule in order to take a second one under this rule. When college-ready TSIA-2 scores or other qualifying scores have been submitted to MCC, standard dual credit rules will apply.

Courses of Study

Courses of study have been developed to allow the implementation of rigorous academic standards. See Appendix B for the courses of study developed for the ISD.

Curriculum Alignment

Curriculum alignment will be assured through completed grade level based “crosswalks” or matrices that delineate which ECHS courses may be taken for college credit. The crosswalks will be reviewed annually by MCC and the Early College High School.

See Appendix A for the detailed course crosswalk.

Instructional Materials

Instructional materials for high school courses will be under the authority of the ISD and the ECHS. Instructional materials will be provided that align with approved PEIMS courses as specified by the Texas Education Code, the High School curriculum and teacher syllabi.

Students enrolled in MCC courses will use instructional materials adopted by MCC. The ECHS will be responsible for purchasing appropriate materials, including college textbooks, for students enrolled in college credit courses. ECHS faculty teaching college credit courses as MCC adjunct faculty may select their own instructional materials if permitted by the policies of the MCC department/division.

To the extent possible, MCC will coordinate with the ISD to reduce college textbook costs through use over multiple semesters and/or the use of low-cost open educational resources.

Financial Responsibilities

As specified in the dual credit portion of this agreement, MCC participates in the state Financial Aid for Swift Transfer (FAST) program and abides by its policies and procedures. The following ECHS financial responsibilities are spelled out in accordance with those policies as well as the state requirements for an ECHS partnership.

ECHS students will not have financial responsibility for tuition, fees, textbooks, or transportation costs associated with the program.

The ECHS will be responsible for the following for all students: course textbooks; course materials; day-to-day costs, such as transportation to and from the MCC campus.

MCC will waive dual credit tuition and fees for FAST-eligible ECHS students, whose status will be determined by the student’s eligibility for the national free/reduced lunch program over the four-year period prior to the dual credit enrollment.

The ECHS will be responsible for tuition and fees for students who are not FAST eligible. Such students will be charged the tuition rate set by the FAST program plus relevant fees.

ECHS Enrollment, Attendance, and Conduct

Students are eligible to enroll in the ECHS after they have filled out all necessary application forms, including parental support forms. The ISD will select students through a blind scoring of each application according to the application rubric. All students enrolled in high school courses will be expected to follow current ISD attendance policies. Attendance records will be taken for all courses offered at the ECHS campus. Students will also be expected to adhere to the ISD code of conduct.

Students enrolled in college credit courses will follow current MCC attendance policies. Attendance will be taken at MCC based on the College Attendance Policy, published online in the MCC General Catalog. Students will be expected to adhere to the General Conduct policy of the college, also published online in the MCC General Catalog.

Building a College Culture

The ECHS and MCC will establish a learning community that blends high school and college, instilling a college-going culture among participating students. The ECHS students will:

- develop a four-year high school graduation plan and post-secondary plan;
- participate in high school credit classes and college credit classes for which students receive both high school and college credit; and
- participate in an advisory program which provides college campus orientation, academic counseling, college and career planning and additional student counseling.

Professional Development

Professional Development of the ECHS staff will be on-going, and will be provided through a selected Campus Improvement Team. The IHE liaison will meet with the Team to identify any challenges and make recommendations to the Principal for effective coordination, collaboration and continued development of the ECHS. ECHS faculty teaching college credit courses will be expected to participate in professional development activities offered by MCC, a minimum of 4 hours per academic year, which may include Professional Development Day, the annual Dual Credit Seminar, general faculty meetings, and division meetings. Professional development of MCC faculty will be provided through MCC.

MCC will endeavor to provide professional development opportunities that will promote interaction between ECHS and IHE faculty and advisors.

Procedures for Collecting and Sharing Data

Student data will be collected at the ECHS facility in accordance with state regulations and the ISD data collection procedures. All student data will be disaggregated from the High School general population. Student data to be shared with MCC will include, but is not limited to, demographic and academic information, including TSI readiness by grade level, SAT/ACT and PSAT scores, number of hours taken and credits earned, GPA's, results of State assessments, and any other data necessary to assess program effectiveness in accordance with the Family Education Rights and Privacy Act.

The Parties agree to maintain the records of all students in accordance with all applicable federal, state, and local laws. In accordance with the Family Education Rights and Privacy Act ("FERPA") (20 U.S.C. §1232g) and ISD Board Policy, all records relating to students which are generated or maintained by either party shall be considered educational records in accordance with applicable laws and policies. All parties shall maintain the confidentiality of these and all education records in accordance with all applicable state, federal and local laws and regulations, including FERPA. For purposes of this agreement, each party designates the other party as its agent with legitimate educational interest in the students' educational records for purposes of FERPA.

Records related to teacher qualifications will be maintained by the ISD and MCC in accordance with current institutional policies related to privacy and recordkeeping. ISD teachers applying for adjunct faculty positions with MCC will submit appropriate paperwork directly to MCC.

Evaluation

The ISD and MCC will develop a plan for the evaluation of the ECHS program to be completed each year that will include, but not be limited to, attendance and retention rates, GPA of high school-credit

only courses and college courses, satisfactory progress in college courses, and adequate progress toward the college-readiness of the students in the program.

Additional Requirements--Dual Credit at MCC

Given that an ECHS program is a specialized form of dual credit, the MCC policies regarding dual credit will also apply to ECHS students from the ISD unless noted otherwise in the ECHS portion of the agreement.

A separate section of this agreement details the dual credit agreement between MCC and the ISD, covering both ECHS students (except as noted above) and traditional dual credit students from the ISD.

Severability

If any clause or provision of this agreement is determined to be illegal, invalid, or unenforceable under present or future laws effective during the term of this agreement, including any renewals, then in that event it is the intent of the parties hereto that the remainder of this agreement shall not be affected thereby, and it is also the intent of the parties to this agreement that in lieu of each clause or provision of this agreement that is illegal, invalid or unenforceable, there be added as part of this agreement a clause or provision as similar in terms to such illegal, invalid or unenforceable clause or provision as may be possible and be legal, valid and enforceable.

Termination

This agreement and partnership may be terminated by either party upon ninety (90) days written notice to the other party. In the event of termination during the initial term of this agreement, the effective date of termination shall be as of June 30 following the notice. It is the intent of both parties that no termination shall be made during the middle of the school year which will disrupt the academic progress for the students of the ECHS, unless the parties mutually agree.

Provision for Discontinuation

Discontinuation of the ECHS program will only be allowed at the end of a grade level cohort, or when a cohort graduates. Discontinuation of the program will provide for the support of students enrolled in the program to ensure proper planning for graduation, and meet all the required elements of the program until complete discontinuation of the program

APPENDIX B – COURSE(S) OF STUDY

The degree tracks identified below represent the most common credentials sought by the students from the ISD. Students seeking other credentials will select a program and its accompanying degree guide in consultation with an MCC advisor.

Degree plans are initially selected during the admissions process, but any dual credit student may schedule a visit with an MCC advisor to review degree plan selection.

The district may not have approved all of the following courses for dual credit. In such cases, students may complete the remaining coursework after high school graduation to earn the indicated credential.

Transfer Block		2024-2025		
<p>The Transfer Block is recommended for dual credit students seeking an Associate of Arts, Associate of Science, or a bachelor degree at a Texas public university—but who do not plan to complete the degree while in high school. Students with other plans will visit with an MCC advisor to select an appropriate degree plan.</p> <p>Although the recommended sequence of courses may be adjusted according to student needs, the chart indicates the earliest high school year in which a particular course should be taken.</p>
