

2022-2023 District Goals and Priorities

Goal One- The Instructional Program

- To advance our mission as a district, we will operationalize our 2022-2027 Strategic Plan and:
 - Develop high levels of proficiency in all learners across an academically aligned K-12 curriculum;
 - Create a culture of care and wellness;
 - Provide our staff professional learning opportunities to enhance learning.
 - Develop K-12 Progression of Skills in Portrait of a Mount Pleasant Learner (Communicator, Critical Thinker, Responsible).
- Continue the District's implementation of a cohesive instructional program in K-12 Literacy
- Complete and systemically implement the K-12 MTSS plan
- Develop comprehensive K-12 instructional STEAM strands aligned to the New York State Computer Science and Digital Fluency Learning Standards as well as the Next Generation Math and Science Standards
- Evaluate K-12 evidence-based student success and achievement and develop a comprehensive plan for continuous improvement

Goal Two- Safety and Security

- Evaluate, begin implementation of recommendations from the safety and security audit
- Evaluate security personnel and staffing model
- Develop a 3-Year Safety and Security Implementation and Action Plan

Goal Three- The Physical Plant and District Finances

- Develop a fiscally responsible 2023-2024 Operating Budget
- Complete the 2023-2028 Building Conditions Survey
- Implement the 2022 Field Bond
- Complete existing Capital Projects
- Study and develop a 5-year Capital Improvement Plan
