Grandparents' Day

Grandparents' Day is Thursday, Sept. 12th! Students must have a signed permission slip turned in before this day if grandparents are taking them out for lunch.

Science

In science we are starting to learn about matter. This unit focuses on the scientific concept that matter exists in different forms that possess different properties. We will discuss how matter can change by cooling or heating it. And finally we will learn about how objects can be built up or torn down and recreated using the same parts.

September Poem

Bed in Summer

~Robert Louis Stevenson~

In winter, I get up at night
 And dress by yellow candlelight.
 In summer, quite the other way,
 I have to go to bed by day.

I have to go to bed and see
 The birds still hopping on the tree;
 Or hear the grown-up people's feet
 Still going past me in the street.

And does it not seem hard to you,
 When all the sky is clear and blue,
 And I should like so much to play,
 To have to go to bed by day?
