## About us

### What does the PTA do?

- Plans events to create fun and memorable elementary school experiences for all students and families, such as the reflections art program, trunk or treat, career day, and talent show.
- Works with the school to create a positive community for students, caregivers, teachers, and staff, hosting opportunities to gather as a community.
- Fundraises to provide students with valuable educational programs including our computer teacher, technology education, field trips, and much more. Without the PTA, these programs would not exist at Naples.

### Why join the PTA?

Joining the PTA:

- Shows your child how you support their education.
- Is an easy way to get involved and connect with other parents and caregivers.
- Gives you the opportunity to voice your opinion.
- Helps you to stay informed.

### How do I become a PTA member and sign up for committees?

- Visit the PTA website at [naplespta.org](http://naplespta.org)
- Scan the QR code(s) below to sign up online

### How much time does the PTA require?

How much time you spend on the PTA is entirely up to you. Every PTA member is welcome to attend meetings, volunteer for committees, and help with events. Being a member does not obligate you to dedicate any time at all to the PTA. You are welcome to participate as much or as little as you'd like.
