**1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).**

Hacienda La Puente Unified School District hired a Coordinator of Visual and Performing Arts in the 2023-2024 school year to work collaboratively with the VAPA teachers, site and district administrators to create a proposition 28 plan to launch in the 2024-2025 school year. Therefore, only a few expenditures were made in this school year toward our plan. These expenditures include materials and supplies for visual and performing arts programs and a few arts experts (other employees) to support our marching band camps. We look forward to full implementation in the fall of 2024.
