FAFSA Communication

The FAFSA process has been revamped for the 2024-2025 FAFSA form. The vibe is that it has been improved to streamline the application process and provide opportunities for financial assistance to a broader number of applicants. The FAFSA which typically opens on October 1 (for the following school year) opened at the end of December this year. General information about the FAFSA follows.

WHO SHOULD COMPLETE THE 2024-2025 FAFSA:

- Any student who will be continuing their education in Fall 2024 or Spring 2025 should complete the 2024-2025 FAFSA. A parent/guardian for the student will also participate in the FAFSA process by contributing their information on the form. *Note: This includes students pursuing a 2 or 4-year degree as well as one who will be pursuing a certificate program (ex. CDL License, cosmetology certificate, etc.)*

WHY SHOULD A STUDENT COMPLETE THE FAFSA:

- It's FREE to apply and one never knows what financial opportunities may be presented as a result of completing the application. Several factors are taken into consideration to determine the type and amount of aid a student may be eligible to receive. A student will NOT be eligible for FREE money without completing the application.
- Some colleges REQUIRE a COMPLETED FAFSA as a part of their application.
- Student-athletes are REQUIRED to complete the FAFSA.
- Students who plan to work on campus are typically required to have completed the FAFSA.
- Things change and though at the time of an initial application, one may not qualify for financial assistance, once the school year starts other funding may become available at the federal, state, or school level for students who have a FAFSA on file.

HOW DOES A STUDENT COMPLETE THE FAFSA

- CREATE AN FSA ID**
 - All "contributors" MUST create an FSA ID. A "contributor" is anyone who is required to provide information on the FAFSA form, sign the FAFSA form, and provide consent and approval to have their federal tax information transferred directly from the IRS into the form. A "contributor" does NOT mean a person who is responsible for paying for college expenses.
 - Visit [StudentAid.gov](https://studentaid.gov) to determine who the contributors for your FAFSA should be.
 - Click [HERE](#) to watch a very short video that walks a student and their parent/guardian through creating an FSA ID.
- GATHER THE DOCUMENTS NEEDED TO APPLY**
 - Check out the [2024-2025 FAFSA COMPLETION GUIDE](#). It provides a concise list of all the things a student and their family will need to have readily available to complete the FAFSA.
- COMPLETE THE FAFSA**
 - After the FSA IDs are matched by the Social Security Administration, the student and the parent/guardian should visit www.studentaid.gov, and complete the FAFSA for the year the student will be attending college.
 - Click [HERE](#) to watch a step-by-step video on how to complete the 2024-2025 FAFSA.
 - Upon completion, the contributors should review the FAFSA Submission Summary and make corrections if necessary.

WHAT HAPPENS AFTER SUBMITTING THE FAFSA

- Next, the U.S. Department of Education processes the completed application. Upon completion, the student will be notified of any missing or incorrect information that should be reviewed and corrected as soon as possible.
- The applicant receives a FAFSA Submission Summary, which is a summary of the processed data they submitted on the FAFSA form. Institutions of higher education listed by the applicant on the FAFSA form also receive a summary of processed data submitted on the FAFSA form which is called the Institutional Student Information Record (ISIR).
- The colleges listed on the FAFSA form are responsible for creating the student aid offer and disbursing any federal student aid accordingly.
- A student should contact the financial aid office at the college they plan to attend to find out if there are additional requirements for receiving student aid and to learn more about the process of applying for aid at that college.

General Testing Information:

Students can register for a national ACT via their MyACT.org student account. National tests are offered on Saturday mornings from 8 a.m. - noon-ish. See the remaining dates for this year below. Available local testing sites are usually Bowling Green High School or WKU's South Campus - you choose!

Upcoming Test Dates (National)

Test Date	Regular Registration Deadline Late Fee Applies After This Date	Late Registration Deadline
February 10, 2024	January 5	January 22
April 13, 2024	March 8	March 24
June 8, 2024	May 3	May 19
July 13, 2024*	June 7	June 21

Cost:

Students will be prompted to pay the \$68 fee (for an ACT with no writing) using a debit or credit card. Additional fees apply if a student chooses an additional service.

ACT

ACT Waivers:

Students who are eligible for free or reduced lunch qualify for up to 4 fee waivers to take a national ACT during their junior & senior years of high school. Check with Mrs. Waddell to see if this applies to you!

ACT Voucher:

Any student can use the \$5 voucher below towards registration for any February, April, June, or July 2024 national ACT test date. This voucher is valid until January 22, 2024.

The Dinner Table Project

May 2024

A program to encourage families to eat together, have fun and grow closer through conversation.

Questions to Ask Everyday

What are 3 things for which you are thankful today?

What did you learn today?

How did you make someone smile today?

Did You Know?

Cows have 32 teeth total, but they do not have top front teeth.

Conversation Starters

Who in your life makes the best food/meals?

What are the characteristics of a good friend?

Would you rather have feet for your hands or hands for your feet?

What You Need :

- Recycled glass jar
- Permanent markers
- Popsicle sticks

Make Your Own Conversation Jars!

1. Color a creative pattern on the outside of a clean glass jar using permanent markers. You can be as creative as you want: make a rainbow, make stripes, or make a funny face!
2. Once you have covered your entire jar, set it to dry while you prepare your conversation starters.
3. On each of your Popsicle sticks, write simple word clues or questions to help you the next time you are stuck and don't know what to talk about (sample ideas are listed in yellow). When you have enough choices, add your Popsicle sticks to your jar and place it in the middle of your dinner table.

Let's learn about your struggles. Today, what is your... biggest worry? worst memory? scariest moment? Why?

Let's learn about your dreams. What would you do if... you had a million dollars? your friend switched schools? you lost your two front teeth? Why?

Let's learn more about everyone. What is your favorite... food? movie? song? color? game? Why?

Let's learn about your day. Today, what is your favorite... subject in school? game you played at recess? book you read? thing you did with a friend? part of the day? Why?

May is Mental Health Awareness Month

Here are some simple ways to begin having conversations with your children about mental health:

Talk with your children about their feelings, focus on their strengths, and most importantly listen to what they have to say.

Talking with your children early, often, and continuously about their mental well-being is essential.

Normalize their feelings, no matter what they are. Forget the notion that boys don't cry and eliminate the concept of shame from your daughter's vocabulary. All emotions are valid, and your child is going to feel all of the feels, sometimes in the same day! Make sure they understand it is ok to not be ok all the time. Most importantly, remind them that you are there for them.

Joke Time!

How do you count cows? With a cowculator!

DTP...On The Go!

May is a great month to show your artistic side. Many communities have displays of different types of art, such as murals, statues, architectural designs, and art museums. Engaging in your own art is a great way to decrease boredom and increase creativity. Art can be expressed in different ways like building with your hands, drawing, painting, coloring, writing or singing a song, and writing poetry. Families can increase bonding by engaging in an art project together.

Farmers' Market Strawberry Sorbet

- 1 pound fresh strawberries
- 1/4 cup honey

Wash hands with warm water and soap, scrubbing for at least 20 seconds. Wash, hull, and halve the strawberries. Place them on a parchment paper-lined baking sheet and freeze until hardened. Add the frozen strawberries and honey to a blender or food processor and process until evenly mixed. Transfer to a loaf pan and freeze until firm.

Options:

- You can substitute orange juice for honey. The sorbet will be harder.
- You can substitute store-bought frozen strawberries for fresh, and skip step 2.
- You can substitute other frozen fruit for strawberries. You might need to allow frozen fruit to soften slightly before blending.

Find the right help at the right time

At no cost, Care Solace will quickly and confidentially find available mental health and substance use providers matched to the needs of students, staff and/or their families.

- Call 888-515-0595 at any time. Multilingual support is available 24/7/365. A dedicated Care Companion will help you every step of the way to research options, secure appointments, and follow-up to make sure it is a good fit.
- Search anonymously to get matched with an extensive list of care providers at caresolace.com/wcps.
- Contact your school mental health professional, and they will submit a referral on your behalf.
- Access the Care Solace link (and phone number) through either the WCPS District website (www.warrencountyschools.org) or through your school's website (under Safety/Emotional Support Services/Hotlines).

If you have a life-threatening emergency, please call 9-1-1 or The Suicide and Crisis Lifeline at 9-8-8. Care Solace is not an emergency response service or mental health services provider.

Care Solace

When you or your child needs help, it's hard to know where to turn. In an effort to ease the burden of finding the mental health and substance use services you need, the WCPS district has partnered with Care Solace.

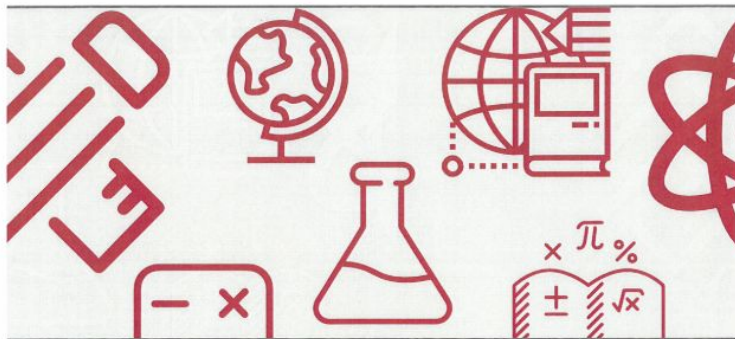

Care Solace has a network of over 350,000 providers and services.

Care Solace is available 24/7/365, after hours and during school breaks at no cost to you. Care Solace has providers accepting all medical insurances, including Medicaid, Medicare, and sliding scale options for those without insurance.

You can reach a Care Solace professional by doing one of the following:

- Call 888-515-0595 at anytime
- Go to caresolace.com/wcps
- Contact your school mental health professional where they will submit a referral on your behalf or Access the Care Solace link (and phone number) through either the WCPS District website (www.warrencountyschools.org) or through your school's website (under Safety/Emotional Support Services/Hotlines)

Courses

VAMPY classes give students the chance to explore a topic of interest in depth and with peers of similar interests and abilities. VAMPY teachers excel in their subject areas but also know how best to serve students of high ability. Classes meet six hours each week day and are capped at 16 students.

Campers will choose one topic of study from the following 11 options (course descriptions and qualifying scores can be found on our website):

- Astronomy
- Chemistry
- DNA and Genetics
- Mathematics
- Nazi Germany and the Holocaust
- Physics
- Pop Culture
- Presidential Politics
- Problems You've Never Solved Before
- Psychology
- Writing

Housing

VAMPY is a three-week residential program. Campers live in WKU residence halls in Bowling Green, KY. Counselors – many of whom are VAMPY alums – attend colleges across the country.

Dining

Campers eat in the campus dining hall. A registered dietitian is available to meet with campers to plan for dietary restrictions.

But wait! There's more!
