

Science Fair
Experimental Investigation
Application and Planning Sheet

Project Title: _____

Student Name(s): _____

1. Identify A Testable Question:

Problem: _____

2. Research The Topic:

What information can be found on the topic or related to the topic? _____

3. Sources Of Information:

4. Hypothesis:

5. Materials:

6. Experimental Design/Procedures:

Independent Variable: _____

Control of Investigation: _____

Dependent Variable (What will be measured.): _____

Experimental Steps (Procedure): _____
