

Hello MIS Students,

During the last couple of weeks, you were able to experience a new sport activity as part of your PE class – Golf. We hope you liked it!

Since we could only provide you with a little glimpse as part of the school programme, we would like to make you aware of our regular weekly golf training courses for all students aged 5 to 18.

We invite you to deepen your first experiences and impressions and try out Golf together with our pros and golf instructors further.
