

5TH GRADE NEWSLETTER

September 2024

Welcome to 5th Grade!!

What is your child learning?

STEM

> In Math, we will begin Unit 1: Place Value, Decimals and rounding. Please practice these skills with your child at home using the resources and games posted on Schoology for homework.

> In Science, we will introduce Earth's spheres. They will use their knowledge of the four spheres to create a terrarium.

Humanities

> We are excited to begin the year launching literacy learning through reading and writing, and getting to know our students.

> Then, we will begin Unit 2 of the Wonder's Anthology working on the skills of compare and contrast, sequence, and theme. In writing, your child will work on a personal narrative.

Need to get in contact your child's teacher?
