A MESSAGE FROM MRS. DEEMER:

Greetings Granville T. Woods families,

The month of August has flown by. We've been so pleased to see how quickly our students were able to adjust to being back in school. They have been developing their writing skills, participating in partner discussions, increasing their number sense, and submitting science projects. Already, we are seeing such great accomplishments happen for our scholars. We could not be more proud of our Eagles.

We would like to thank you for your partnership in working with your child. It truly takes all of us working together to reach these achievements.

Sincerely,
Mrs. Deemer
