Est. 2024

We've been open for one month!

On a rainy day in August, **Adventure Camp** kids visited the turf arena and played all afternoon. The fieldtrip to the zoo was canceled so the quick thinking staff made arrangements to visit GTCC and go ice skating, use the bounce houses and run on the turf. This afternoon turned into a great memory for all campers and no one noticed the rain clouds. Summer camp welcomed 250 kids this year and each week they planned field trips. Campers make lifelong friends during the summer.

➤ The building has welcomed corporate groups, business leaders and nonprofits while hosting meetings and trainings. We are proud to have hosted Kwik Trip, Everest Area Optimists, Habitat for Humanity, Somerville Architects, new teacher orientation, DCEYB board meetings, basketball board meetings, birthday parties, and United Way of Marathon County Emerging Leaders.
