### **Full time PYP English-speaking Homeroom teacher - Maternity Cover**

MIS is a fully IB accredited international school in Brussels, Belgium for students from Years 5 - 18. Our school has approximately 200 students and offers both a fully Anglophone or Bilingual (French/English) programme. Our small campus and small groups provide an optimal teaching and learning environment. Our staff come from all over the world, with international experience, and you would join a small, dynamic and collaborative team with a hands-on approach to learning.

We are currently seeking a full time qualified teacher for our Primary Years Programme (PYP) to cover for a Maternity leave.

**CLOSING DATE: 20/09/2024**

**START DATE : 09/12/2024**

**END DATE: 30/6/2025**

#### **The ideal candidate will be:**

- Passionate about students, teaching and learning
- Open-minded, collaborative, and able to bring ideas and solutions to the table
- Actively involved in the life of our school
- Creative, Flexible and adaptable to the needs of students and the school as we grow and develop each year
- Able and interested in the use of new technologies

#### **The ideal candidate will have:**

- A university degree early years or primary education
- Teaching experience, preferably in an international setting and programme
- Fluency in English. Working knowledge of any other language is an advantage

#### **Being a teacher at EIM involves:**

- contributing towards the creation of a happy, caring environment which reflects a learner-centred, inquiry-based and experiential approach to learning
- differentiating teaching & learning to cater for students with various academic and language levels
- preparing good quality units and lesson plans in line with IB standards and practices
- organising and setting up of interesting and relevant school trips for the students
- being available and open to providing extra support to the students

- being an active member of the MIS community life by participating in and/or leading school clubs and extracurricular activities
- being flexible and open to teaching various grade levels and courses
- demonstrating a genuine interest in on-going personal and professional development
- providing a safe, supportive learning environment for students, teachers and all others community members
- planning and collaborating with colleagues on various interdisciplinary learning projects including the PYP 5 Exhibition and exams
- keeping parents informed about student progress and attending parent meetings
- keeping up-to-date records of attendance, curriculum, assessment tasks and assessment data
- preparing student reports and references, and other reports as required
- carrying out supervision at break times, lunch times and other times as required
- participating as required in the preparation for inspections, authorizations and accreditations
- preparing documentation for IB external assessment.

**We offer:**

- Collaboration with a highly motivated team
- Manageable class sizes
- Freedom for creativity and innovation
- Opportunities for further professional development
- An international school community
