

Parent Involvement Committee

Dear Parents,

As we begin the new school year, we want to make sure each and every parent, family member and caregiver is made aware of our school's parent volunteer team - the **Parent Involvement Committee** (formerly known as the Community Involvement Committee).

We couldn't be more excited about the opportunities this year for our parent community to come together and support our children's school-related events, teachers and staff.

What is our **GOAL**? This year our goal is to ensure that every teacher and staff member is supported by a parent volunteer. Specifically, a minimum of one parent per grade *not* per Crew.

What will the Classroom or Staff Parent **DO**? This person will assist the teacher or staff member with various tasks related to parent involvement. They will act as a liaison between the teacher and other parents, helping to facilitate effective communication, encourage participation, and create a warm and inclusive classroom atmosphere. We truly believe that your involvement is what makes our school special.

We all share a common passion for our beloved Clark, and we know that the strength of our school lies not only in outdoor expeditionary learning and character development but also in the active involvement of our parents. Your support is essential to ensure that our school thrives and continues to be a wonderful place for our children.

There are many ways to contribute, whether it's assisting teachers and staff with projects, helping at school events, or jumping in as needed. Your classroom parent will reach out to you with specific requests and will ensure that everyone has the chance to participate in a way that feels comfortable. Please note that our first PIC meeting will be **FRIDAY, SEPT 6th at 7:30 am** (zoom optional available).

Let's work together to make our school a fantastic place for our children. Your contributions, no matter how big or small, make a world of difference!

Thank you for being such an integral part of the NRCCS school community.
