

Dear Aidan Families,

Welcome to the 2024-2025 After-School Program (ASP)! Below is an overview of ASP for the upcoming year.

Programs:

ASP for Primary Students - 3:00 to 6:00 p.m.

ASP for Elementary Students - 3:30 to 6:00 p.m.

ASP serves as a low-stress social environment on the Aidan campus where students can explore the natural playground, play games, work on independent and group projects, and enjoy the company of the community. Art projects, storytime, and special weekly activities will be offered throughout the afternoons!

ASP will continue to use the Upper Elementary and Sassafras classrooms, the Overhang space on the ground floor, and the playground as our community's spaces.

Discovery

Additional enrichment options are available during ASP time through Aidan's Discovery Programs. Discovery classes come with an additional fee. Aidan offers three semesters of Discovery classes (Fall, Winter, and Spring). Stay tuned for registration details throughout the school year!

Other ASP Information:

Pickup

If driving, please park in the lot behind the school or in a legal spot on the street. To pick your child up from ASP, parents/guardians can wait by the central playground gate or enter the playground and wait at the classroom door. We ask that parents continue to not enter the ASP classrooms.

Signing Out

We will continue to have an ASP teacher walk students to the gate for dismissal. Our staff will sign your child out on the ASP sign-out sheet upon departure.

Late Fees

Pickup for ASP is anytime between 3:15 to 6:00 p.m. **Pick-ups after 6:00 p.m. incur an immediate \$40 charge per child, and an additional \$2 charge per minute per child.**

Snack

A slight change for this year: the families of the After-School community will just be asked to provide fruits and veggies for ASP on a weekly rotation. Aidan will provide crackers and other dry snacks. The snack guidelines and schedule will be provided through a separate document. Families will receive an email reminder from us the week before you are expected to provide food for ASP.

The ASP team is looking forward to starting the new school year, and we hope you are too! Please don't hesitate to contact us with any questions or concerns you may have this year. ***If you ever need to contact Aidan during ASP hours, call or text Phillip's cell phone (202-277-6727) or the ASP phone (202-816-0976).***

Warmly,

Mr. Katinas, Ms. Ava, Ms. Bella, Mr. Pisigan, and Ms. Leslie
