College Visits

Juniors and Seniors, College representatives visit our school to meet with interested students. See the list of college visits in Naviance, the Counseling TVs, on the Counseling website, and in ENN. Students must sign up in Naviance at least 24 hours in advance.

Naviance will give you a confirmation email you can show your teacher prior to the visit. Visits are usually in Room 1120 (The Center of Excellence).

To get to Naviance, students log into Classlink, click on "Naviance", click on "Colleges" and click on "Visits."

Parking

Students, parking spots that are designated to specific people are reserved and identified as for those people or families and should be respected just as handicapped spots are respected. This pertains to non-school hours as well. In particular students who park in unauthorized areas or auction spots, which are clearly marked auction may lose their parking privileges. Please share with your parents that reserved spots are not only reserved during school hours but on a 24 hour basis. Thank you.
