September 2024

Dear Glen Cove Community,

Welcome to the 2024-2025 school year at Glen Cove Schools! During the summer, the administration, faculty, clerical staff, custodians, and buildings and grounds crew steadily worked to ensure the smooth opening of our buildings for the school year. We are excited to welcome new students and reunite with those returning. Our instructional staff has been busy preparing lesson plans, revising curriculum, and integrating new technology to enhance learning. We enjoyed some fun with our barbecues and popsicle events with the principals. Now, we are ready to open and have a fantastic year!

Additionally, you may notice the completion of several construction projects funded by the BOND initiative, as well as ongoing work across the District. These projects are focused on maximizing instructional opportunities as well as enhancing the overall safety, health, and welfare of all students, faculty, staff, and our entire school community.

For updates on school activities, please visit our website and follow us on social media. (Facebook and Instagram). The District uses ParentSquare, a unified communication platform accessible on computers and mobile devices, to ensure seamless engagement between parents and schools, keeping families informed about all their children's activities and events. [Sign up here](#). We also offer a Community Group that allows guests, such as members of the community who do not have students active in the district, but would still like to receive district notifications including emergency closures and delays. [Sign up for ParentSquare Community Groups here](#). *Please note: Current staff and parents / guardians do not need to register for the ParentSquare community groups.*

Thank you for your continued support and trust in partnering with us in your children's education. I look forward to a fantastic school year, confident that our combined efforts will lead to engaging instruction and remarkable achievements for our students.

Sincerely,

Dr. Maria L. Rianna  
Superintendent of Schools
