2024/2025 School-Based Peer Grief Support Groups

At Jessica's House, our School-Based Peer Grief Support Group Program is thoughtfully crafted to meet the unique needs of children and teens who are grieving the loss of a parent or sibling within a school setting. Through art, movement, play, and connection with others, these groups provide a compassionate space for peer support, grief education, and practical coping strategies.

One-hour, bi-weekly groups on your school campus with our trained staff and volunteers.
