5 REASONS TO CHOOSE BGS PRIMARY DIVISION

1 Our all-round approach to education

BGS Primary Division gives pupils multiple opportunities to grow, learn and explore the world in and out of the classroom. A vibrant and inspirational extra-curricular programme with more than 50 activities and a lively trips schedule all serve to open pupils' eyes to the possibilities life has to offer.

2 Outstanding academic provision

Mastery in English and Maths is a given at BGS, but why restrict your child's worldview to just these areas? Our pupils learn Science, Geography, History, RS, French, Philosophy, Drama, Art, Music, IT, Games and PE, with specialist teaching from both our Primary & Senior School teachers.

3 A stunning campus

BGS Primary Division offers facilities which are second to none in a safe, attractive environment with its own school hall, Primary gym, playground and playing fields, Primary music rooms, IT suite and Primary library. Not to mention the swimming pool, Food technology rooms and Science laboratories they enjoy elsewhere on the 45-acre BGS campus.

4 A very happy environment

BGS has an upbeat approach and warm and friendly family atmosphere. We never give up on anyone and want everyone to feel fulfilled and thrive.

5 An all-through 3-18 school

BGS Primary pupils get the best head start in life as both members of a small, nurturing Primary Division and of a large, vibrant school. Automatic transition into Seniors means stability, peace of mind for parents and the next educational decision for families is which university.
