Thank you!

Thank you, families and students, for a great start to the 24-25 school year. Our students came excited and ready to learn, and we have created many positive experiences for them to launch the year with joy and encouragement.

It has become a tradition that our Seniors gather in the morning on their first day back to watch the sun rise. This gave the Class of 2025 a bright way to start their final year of high school.

Additional Announcements

MAP Testing - 9th and 10th grade

9th and 10th graders will be taking the NWEA/MAP Growth assessment in ELA and math classes over the next two weeks. This test allows teachers to understand where your student is academically so that they can monitor student progress. Testing will take place on Chromebooks, so make sure students bring their Chromebook to school fully charged every day! Prior to testing, students will turn in their cellphone, smartwatch, and any other electronic device to their teacher. Students may listen to the questions on headphones that plug into the Chromebook if they bring headphones from home. Students that are absent will attend a makeup session during the school day.

Senior Ads for the Yearbook

Yearbook recognition ads are the perfect way to commemorate achievements and celebrate milestones. Revenues from recognition ads help our school create a better yearbook. To purchase an ad, please see the attachment to this email. All orders must be placed by 11/30/24.
