AT A GLANCE

- Enjoy the upcoming break, stay safe, and we look forward to seeing everyone back on **Thursday, September 5th**

What's New

We are off to a great start.

We have already completed four weeks of school—time certainly flies! It's been an exciting start to the year, and we're thrilled to see our seniors progressing toward their graduation goals.

Our senior advisors will be reaching out to parents and guardians in the coming weeks to review your student's attendance and grades. We are committed to ensuring that all seniors stay on track to meet their graduation goals. Feel free to contact your student's senior advisor if you have any questions or concerns:

Please make sure your student meets with [Ms. Daniels](#), our Graduation Coach, to develop a post-secondary plan. If you have any questions about classes, credits, extended learning, or credit recovery options, please reach out to [Mrs. Szymendera](#).

Check out the Senior Page on the Independence High School website, there you will find additional information for you and your senior. [Independence High School Seniors](#)

Reminders

- Parents can monitor their students' academic progress as observers through their student's Canvas account. This is a great way to stay informed and support your student throughout the school year. Here is a link to help set up an Observer Account

- If your student is absent, please remember to submit a documented excuse to the Administration.
