

CCSD Elementary School Kdg.-5th Grades | Progressive Discipline Plan

Important to Know: The CCSD Progressive Discipline Plan serves as a guide for all school administrators to use when coding incidents and applying consequences for the violated infraction. School administrators have the responsibility of ensuring all discipline referrals are coded correctly before processing; therefore, referrals incorrectly coded, will be edited by the school administrator to reflect the correct state coding (once an investigation has been completed). The consequences provided at each infraction level are the highest level of consequences recommended for each offense; however, the assignment of a consequence is at the discretion of the school administrator. To determine the appropriate consequence(s) that should be applied to the violated infraction, the administrator will collect all evidence, use the student's academic profile as it relates to Special Education services and other pertinent information, and the severity and impact of the violated infraction to determine the most appropriate recommended consequence to assign. Admin may elect to assign a lower consequence based on the information collected but must seek Level Leader approval when assigning a higher than recommended consequence. Reminder – 10 Day max OSS for Special Education/504 students.

Terms to Know	Meaning
Teacher Managed Referrals	Violations are handled by the teacher and communicated to the parent. All Teacher Managed Referrals require Teacher/Parent contact, all 1st Occurrence referrals require District Restorative Refocus/Reflection Form, 4th teacher managed referral for the same infraction = an Office Managed Referral for 271 Failure to Comply with Disciplinary Action beginning at the 1st Occurrence. For Elementary Schools ONLY- all students will be allowed to reset their Teacher Managed Referral counts to 0 at the start of every nine weeks. This does not mean referrals will be removed from the discipline database. All referrals must remain on record.
Temporary Virtual Placement (TVP)	A school may consider placing the student on temporary virtual until the hearing has been conducted. If this option is applied, schools must use the temporary virtual placement guidelines and attendance coding that has been provided by DoSS. NOTE: For Special Education Students, the school administrator must first coordinate with the Department of Exceptional Children before changing a student's placement. TVP may not be the appropriate placement for a Special Education student.

CCSD Elementary School Kdg. - 5th Grades | Progressive Discipline Plan | Classroom/Teacher Managed

Behaviors which adversely affect a student’s educational progress. Classroom/Teacher Managed infractions should be handled by the classroom teacher and are not processed through a formal referral for disciplinary actions from administration. However, these infractions are documented by the teacher. Cases of multiple or chronic offenses may require administrative/guidance action (assistance) and referral for interventions. Admin may elect to assign a lower consequence based on the information collected but must seek Level Leader approval when assigning a higher than recommended consequence. Reminder – 10 Day max OSS for Special Education/504 students.

Important to Know

- Mandatory teacher/parent contact (phone call, text, email, letter/parent note, etc. with documentation in log entries) is required for ALL Teacher Managed Referrals.
- The 1st Occurrence of an Infraction (in each assigned class) requires the student to complete a District Refocus/Reflection Form (provided). NOTE: For middle and high school students, the reason(s) for the behavior may differ for each class.

District-wide Expectations

- Three Teacher Managed Referrals, with occurrences on different days for the same infraction, will result in the 4th infraction being coded as a Level 1-271 Failure to Comply with Disciplinary Action.
- For Elementary Schools ONLY- all students will be allowed to reset their Teacher Managed Referral counts to 0 at the start of every nine weeks. This does not mean referrals will be removed from the discipline database. All referrals must remain on record.
