School District Five Bond Referendum

Our Children. Their Future. Your Choice.

Public schools are a vital part of the social and economic infrastructure of our community, and our priority is to ensure we change in order to provide a safe and productive learning environment for all students.

Safety Focused Projects

- ***Secure entrance upgrades to 12 schools and enhanced security camera systems for all campuses.** (Pictured right)
- **New school wings will eliminate portables and provide secure classrooms** at Chapin Elementary and Lake Murray Elementary.
- **A new *Dutch Fork Elementary School** will address the learning environments provided by the oldest continually used building in the district, along with the impacts of the expansion of Broad River Road. (Pictured right)
- **Renovations and repairs** at CrossRoads Intermediate, Dutch Fork High, Dutch Fork Middle, Harbison West Elementary, Irmo High, Irmo Middle, Nursery Road Elementary & Seven Oaks Elementary

If funds remain after completion of all projects listed above: Covered Practice Pavilions at Chapin High, Dutch Fork High, and Irmo High

For full list of projects and details, visit www.lexrich5.org/bond or scan the QR Code:

**Preliminary designs show potential outcomes*

Productivity Focused Projects

- The additions of a **Construction & Infrastructure Workforce** Development Lab at The Center, a ***Small Business Incubator & Student Center** (pictured below) at Irmo High, and a ***Digital Solutions & Artificial Intelligence Lab** (pictured below) at Dutch Fork High, are designed to provide students access to high demand career opportunities.

- Addition of a ***Fine Arts Auditorium** at Chapin High (Pictured right)
- The creation of **individual classrooms** at Harbison West Elementary and Nursery Road Elementary are designed to provide a modern learning environment for students and faculty.
- Current Dutch Fork Elementary renovated into **RichLex Education Center** housing Adult Education, FIVE Virtual Academy, and Academy for Success.
- Administrative & **Professional Development Center** at District Office Building

Projects total \$240 Million | Millage rate remains 69.5 mils
