NEW FOR THE 2024-2025 ACADEMIC YEAR

Living a Life of Service

New to ICS starting in the 2023-2024 Academic Year

The Guadalupe Scholarship Fund

The Virgen de Guadalupe Scholarship Fund allows us to make an Immaculata education available to more families in our community by providing tuition assistance. The Fund will provide financial support for students in great need, especially those from immigrant, refugee, and asylum-seeking families.

Your support of The Virgen de Guadalupe Scholarship Fund provides access to education for families who believe in the importance of Catholic education as a foundation for their children. The Scholarship Fund creates opportunities for us to welcome students into our school who would otherwise be unable to attend.

Your gift to the scholarship allows us to provide students with:

- A dedicated and caring faculty devoted to the success of each student
- A safe and loving environment for learning
- An opportunity to attend Mass weekly and grow in faith
- A high-quality education

Angel Donor Program

As we continue to open our doors and level the playing field for our all our Eagles, we want to make sure that our students have what they need to be set up for success. The ICS Angel Donor Program allows you, the believer in our mission, to invest one-to-one for an Eagle in need. Our Eagles have varied needs, and you can gift them the opportunity of what they need to succeed at ICS. The Eagle you support will receive the gift of a transformative education, and be molded into people of faith, knowledge, and character. To become a one-to-one ICS Angel Donor, please email or call Kathy Badillo and make an Eagle's dream come true with your gift!
