V. PUBLIC COMMENT/Comentario publico -

- Re: School Safety; Parents asked if Ms. Sotelo felt bringing law enforcement onto campus would assist in keeping potential threats from happening on campus. Sotelo informed parents that despite the lack of police presence in the school, the school still works closely with them. Threats and violence are not taken lightly. Ms. Sotelo did express to parents that they are the first in line at disciplining and educating our students. We must all work together as one.

- Re: Absenteeism; Some parents believe it might be due to the migrant students? Some parents expressed they don't believe that is the issue. Ms. Sotelo explained that Migrant absences are anticipated yearly, thus the implementation of the program. The most likely reason for better attendance could be the later start date this school year.
