

First Week of School Happenings ...

High school administrators and facilitators welcomed learners as they entered the building!

Rick Esche's First Day Message to Paradise:

I wanted to send you a huge high five and thank you for an amazing first day of school. We worked as a team to ensure that learners had a great day and were in the right place. Please know that you made a big difference today and that our kids are going to go home and tell their grownups how much they loved their first day of school!

I am proud of you and thankful that I get to work with each of you every day.

We get to do it all over again tomorrow – and add Kindergarten to the mix 😊

Service dog, Monty, sitting with a new 7th grade learner.

Salisbury learners participated in a bus evacuation drill

Winners from our Passport to Paradise event that took place last Thursday. These lucky learners had their passports pulled from our box to win a special beach ball and Paradise pencil to start their school year off Happy and Healthy!
