

VETERANS EXPERIENCES AND EXPRESSIONS:

A tribute to those who have served our country

FIELD TRIP OPPORTUNITY

The City of League City, along with Transition Plus—a local veterans' support group—have partnered to create a veterans exhibit at the Johnnie Arolfo Civic Center. The exhibit, entitled **Veterans Experiences and Expressions: A tribute to those who have served our country**, features personal effects, mementos, and artifacts from those who have served from WWII to the present. The exhibit will be on display from Tuesday, November 12 through Friday, November 15 between the hours of 7:30 a.m. to 5:30 p.m.

Along with the exhibit, there is an opportunity for students to hear directly from veterans, historians, and non-profit veteran groups that will share their stories and experiences serving our country and our community. They include John McCarty—who wrote the book *A Marine in Vietnam*—and Jerry Clark, the founder of Transition Plus. Dr. Tina Farrell, the author of the book *868: The Sharecroppers Son*, will also be available to speak to students. Her book chronicles the life of her father, including his time as a POW during WWII.
