Convenience is Key

Book a time to take a photo on campus after school with Cherished Memories on their website and choosing the Citrus Valley Pop Up option later this fall. For a nonrefundable sitting fee, you will take a formal shot for the yearbook and have options to have additional photos taken. The money paid will not count towards a picture package if you select this option.

Miss Your Shot?

We will also have a make-up picture day for just a formal portrait for the yearbook. This option will be free, but dates and options are limited. More information will be sent out later this fall.

IMPORTANT

CV Yearbook only uses portrait pictures taken by Cherished Memories in the student portrait sections. You must have a portrait to qualify for a senior quote.

SENIOR FORMAL PICTURES

FAQ

What are the benefits of booking at the Cherished Memories Studio (Option 1)?

Cherished Memories offers special senior packages for everything from graduation invitations to outdoor sessions. Taking it at the studio provides the best service and options. The earlier you book, the more availability you will have to ensure you get the best picture for the yearbook.

What is the difference between the senior picture taken on registration day on campus and the formal senior pictures?

The pictures taken during registration days on campus are for student ID cards only. The formal senior pictures are the portraits used in the yearbook and other official school functions (ex. senior awards night).

Can I take senior photos through a different photography company?

Seniors must take a formal senior portrait for the CVHS yearbook through Cherished Memories by 12/31/2024. Even if you choose another studio to take your senior photos, the formal portrait **MUST** be through Cherished Memories for you to be featured in the yearbook with a senior quote.
