

Dear Caregivers,

The safety of our students is our number one priority. Our goal is to provide a safe learning environment for all and there are students at Parkville who have severe, life threatening allergies. We encourage fruits and vegetables for daily snacks. You may also choose a snack from the approved list found below or on our website. Unsafe snacks will be sent home - **no exceptions**. Food **will not** be a part of birthday celebrations that take place in the classroom. No food is permitted on the bus. Please discuss the importance of food allergies with your child and discourage the sharing of food. Manufacturer's ingredients can change. **ALWAYS check the ingredient list on packaging before purchasing items. All food should be nut-free and made in a nut-free environment.**
